So many people so many times have said, "I remember when . . ." or "I'll never forget the time . . ." Whether it's good or bad, fun or sad everyday a new experience brings a new memory, one that surely will last forever.

For instance, your first day as a freshman you got canned by the "man" of your dreams. Even though this stained your new blouse, you would gladly relive that magical moment he patted the top of your head to show how much he appreciated your cooperation.

Or maybe you were the shy guy who would rather sleep on nails than ask a girl to Prom. She seemed so angelic, she would never go out with a bum like you. But she did, and the two of you had a great time. When you took her home she even hinted she would like to go out again.

Life can not be as hard as we make it seem. You have to enjoy life to the fullest before you have really lived.

top Tony Davis doesn't believe in 'the best of times' as well as Rodney Perryman.

left To concentrate, one must sit in total silence.

right Jack Ament proves he can stand up AND play the coronet at the same time.

top Bret Smith, you wouldn't let two freshmen get away with this, would you?

bottom Gossip is necessary in the life of Serena Shanklin.

Parties, athletic activities, classes and of course homework. These are just a few of the ways we pass the time. They may not seem important now but as we grow older we find that every day they add a new dimension to our outlook on life. What we thought we hated we grow to like and eventually what once seemed like "the greatest" doesn't appeal to us much anymore. We gained so many new friends over our high school years it would be impossible to keep in touch with them all after you leave THS. Just the same, we lose a couple every now and then, but even if the friend isn't around the memories will be.

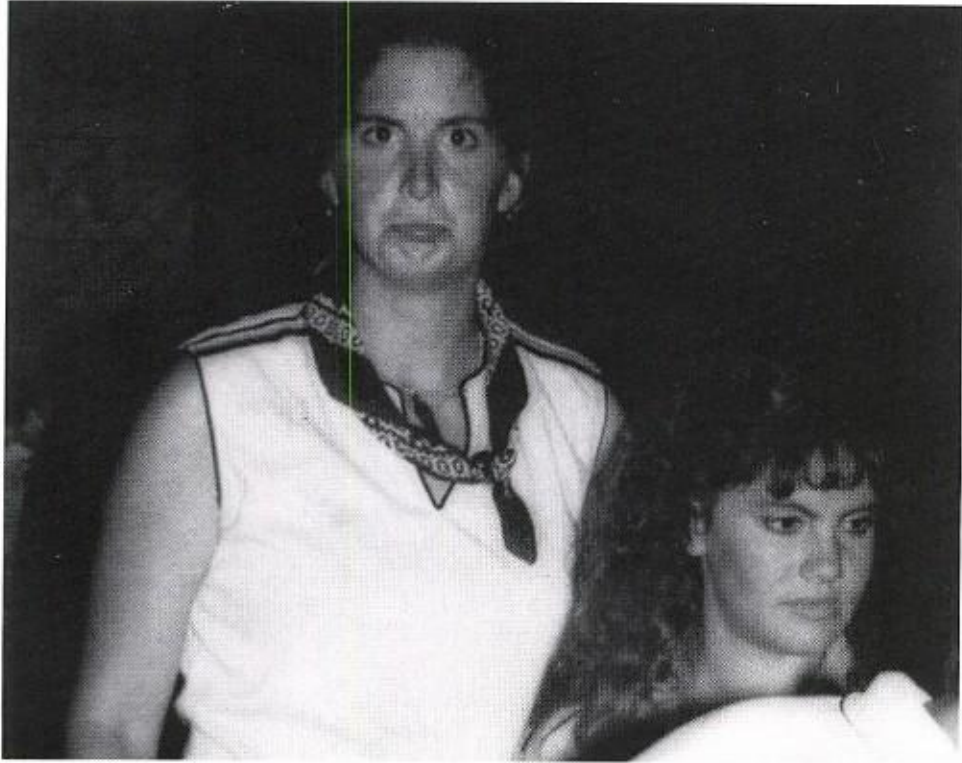

top A spaceman (alias John Ott) invaded Mrs. Stieler's chemistry class during a lab.

middle Who knows what lies deep in the mind of Tracy Doan?

bottom Who needs friends when ya got a tuba??

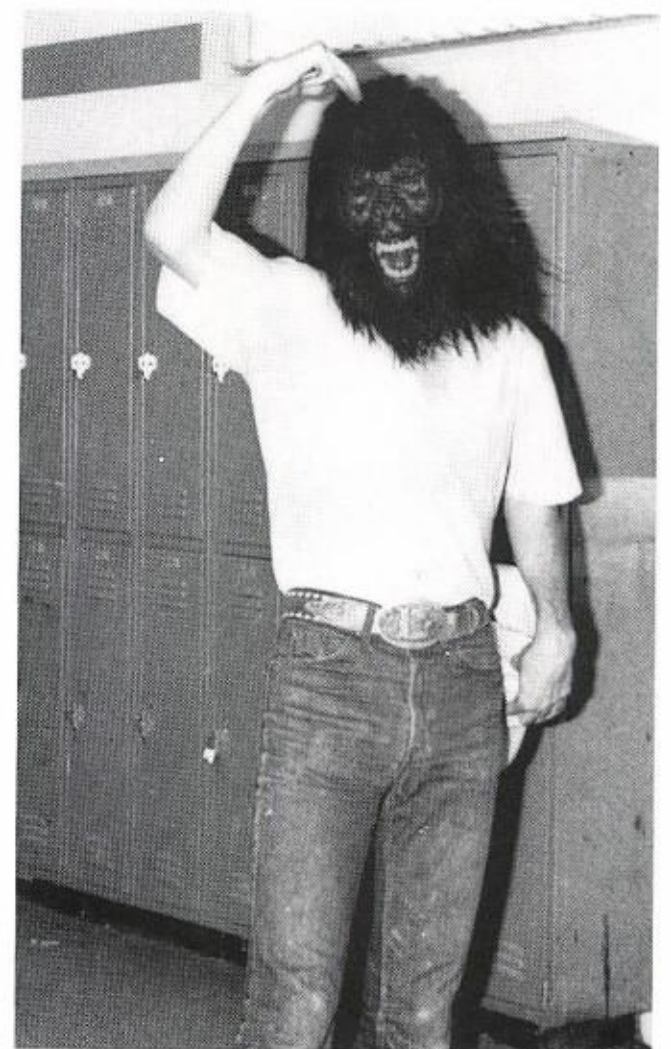

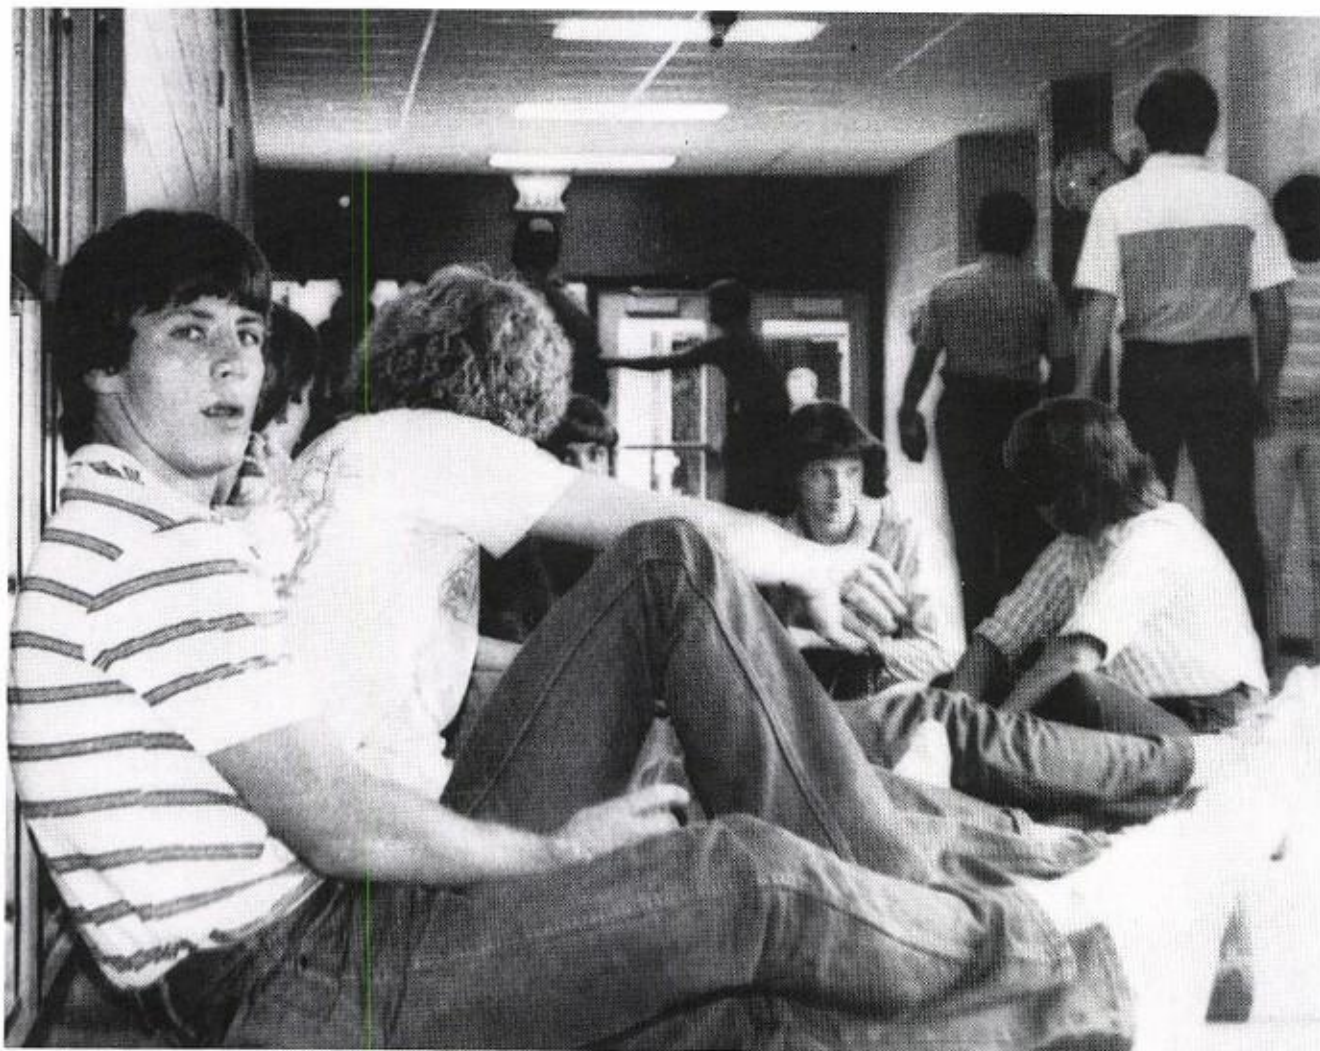

top Lynn Glaze is upset because she doesn't get to help with the Senior class float.

left Who? Me?? Uh Uhh!!

right Tim Lauver's true identity comes out before an English test.

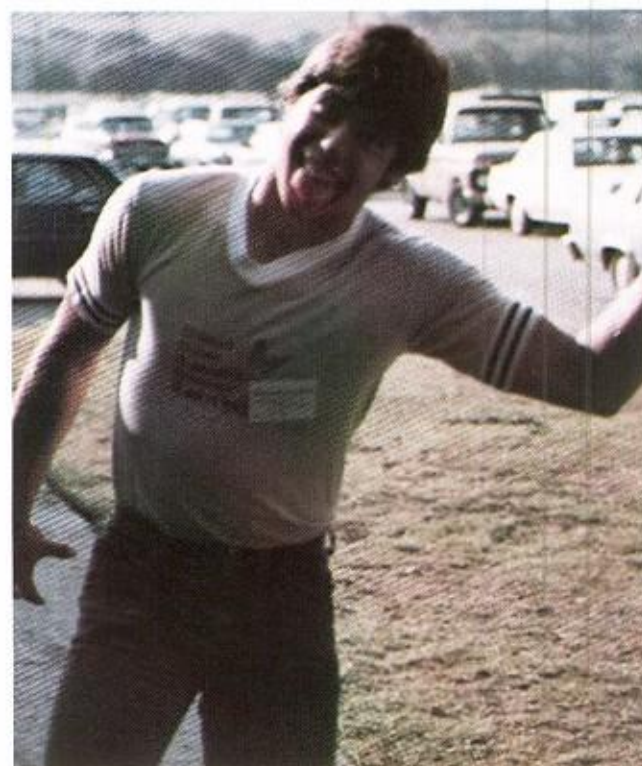

Kerrville may be small and every weekend you may say, "there's nothing to do." If you just look around you will see many highlights to what seems a rather dull night.

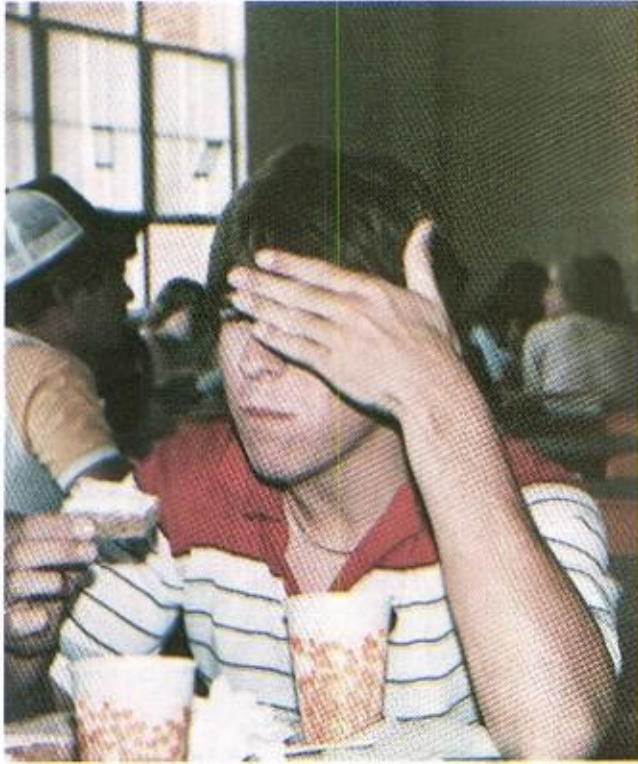

First, there's the Long Branch the third largest dance hall in Texas. Every Wednesday, Friday and Saturday a person can be entertained by a live band.

The Sports Center, also a new addition to Kerrville, is the place for excitement. Bowling, skating, raquetball and a gym are all ways to lose the pounds you may get from their delicious grill.

Then there are the usual places: Gatti's, parking lots, Baskin Robbins and even the movies. It's not hard for a Tivy student to have a good time. "Cruisin" is also a major part of our past times.

The next time you feel the boredom syndrome coming on, think about one of these places, call some friends and go have a good time.

opp top Gray Frye shows his excitement over his math assignment.

opp left Laura Presley and Felix Ozuna invite everyone to our great but humble school.

opp far left Studying away is Sarah Cobb, senior.

opp bottom The duties of Student Service can drive a person mad.

top "Don't take . . ." (CLICK) ". . . my picture . . .!"

bottom Freshmen of course!!

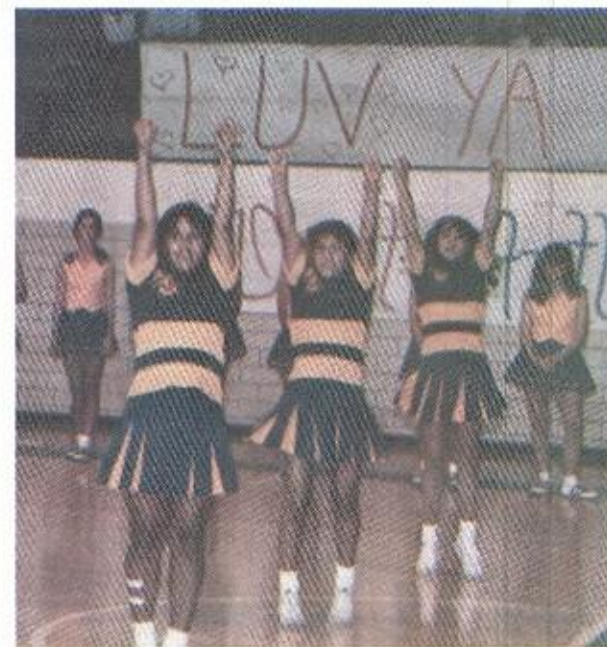

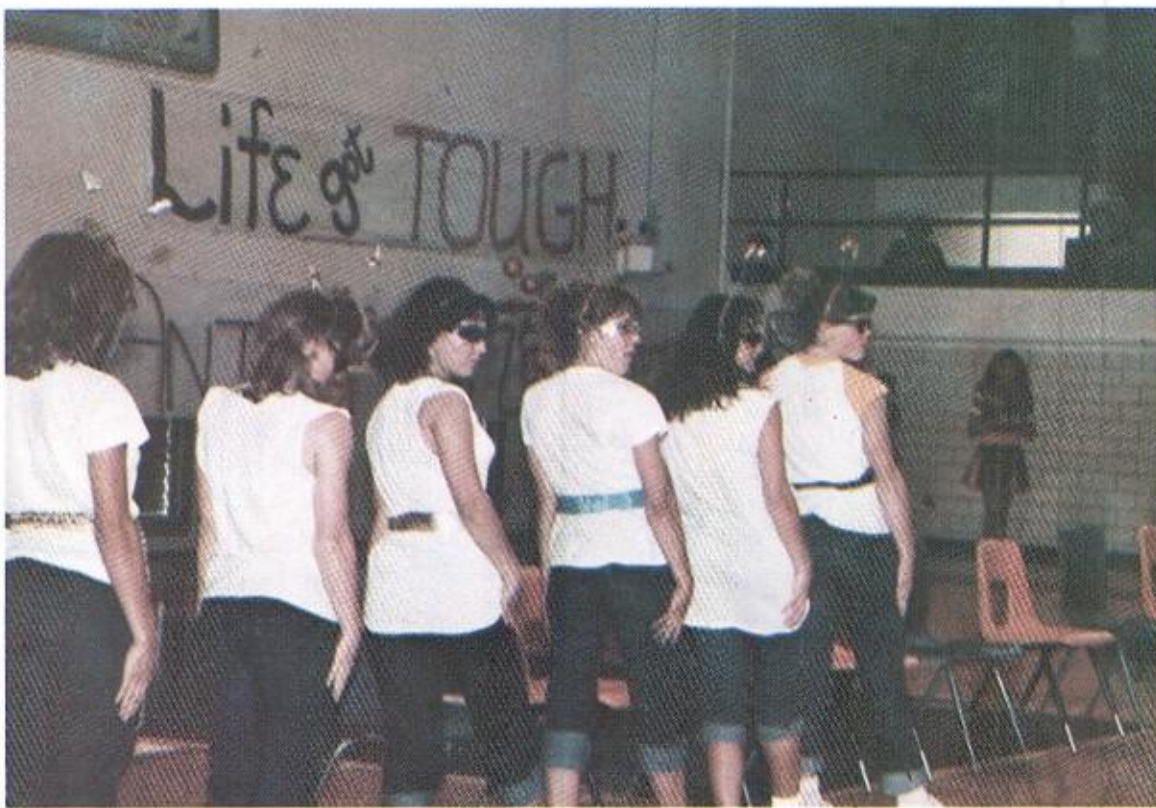

top The cheerleaders proved they can not only yell but they can dance as they entertained us with a Pac Man Fever routine.

middle left The Seniors were a very "together" class, winning the spirit stick more than any other class.

middle right Backing up the cheerleaders as well as the J.V. football team were: Mary Muck, Monica Silva, and Lisa Hough. And they did a good job!

bottom ANYONE was allowed to attend our fun filled pep rallies.

top Nick Hernandez has his face done by Mary Kay.

middle left Krebbs puts on his best tie to go to an Antler pep rally.

middle right Is this how you pictured "the little drummer boy"?

bottom The band was 'debatable'.

High Attendance Boosts Antler Ego At Pep Rallies

Every Friday, with few exceptions, people came to school wearing anything and everything. The crazier the outfit the more attention it drew. This could mean only one thing: a pep rally.

The first pep rally of the year was held during lunch making the attendance low. After that, all 4 classes, band, Antlerettes, Golden Girls, Twirlers and anyone else who went to the spirit boosting ceremony showed their pride and yelled their "lungs out".

The Golden Girls, Twirlers and Flags took turns performing before the wild crowd of whistlers and hackelers.

If anyone should walk through the halls at 3:05 they would have found abandoned classrooms. As they neared the gym they would have thought some one was taking over the school. But anyone with sense would know we wouldn't let that happen, after all Tivy is the place to be!

Registration . . . Fun and Exciting; A Waste of Time?

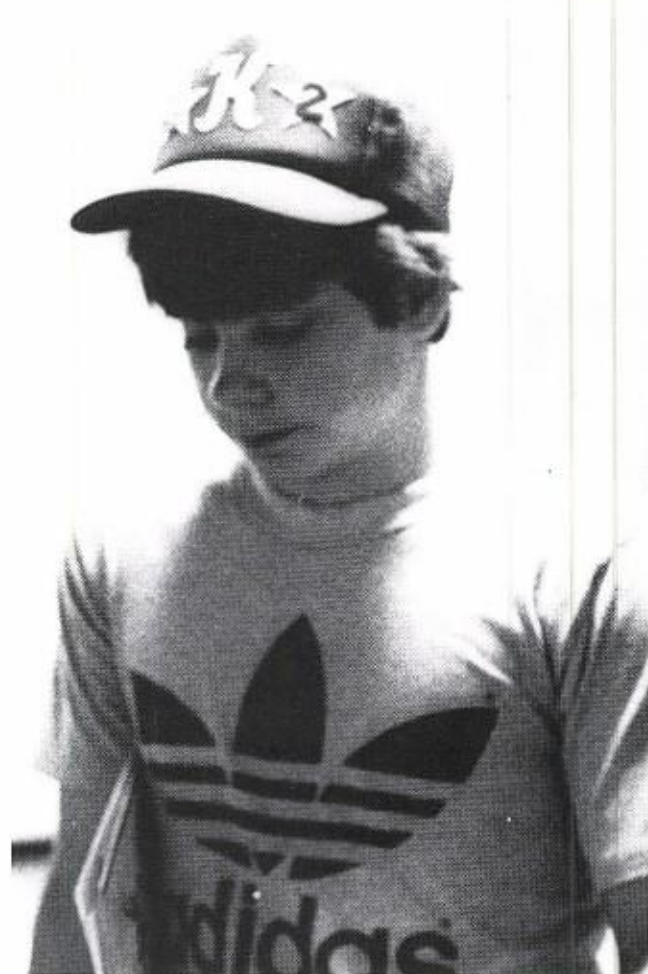

How do you look at registration?

"A" - The pessimist says: "Oh registration, I have to go through all those tables where those crabby people tell me - you need to get this signed, get out of the halls when you're finished, that class is no longer opened. It really gets to be a pain. I can't decide which I hate most, having my pictures taken or filling out all those forms."

"B" - The optimist says, "Oh registration! I can see all my friends that I haven't seen all summer. Even though I may have a few problems, I know I can work it out so I can have all my classes with lots of my friends. The year will be so good. I can hardly wait!"

If you picked "A" it shows you don't like the privilege of picking your classes and your teachers. You would rather have someone else do it, so you'll have someone to blame it on, if it's not the way you expected. A word of advice, "change your attitude."

If you picked "B" you are a mature person and you like the responsibilities of a high school student. You obviously realize these are the best of times!

opp top Cheri Miller gives a disgusted look when she finds out her forms aren't in correct order.

opp left Mike Coon found *something* interesting at registration.

opp left Ah! The trials and tribulations of being a FISH!

top Mr. Mears explains to Doug Gray that his parents must sign the forms first.

middle "If I take English 3rd, then I have to take Math 1st, then I have to take History 4th and that means no football . . . NO WAY!"

bottom "Everything in order, go to the next table please."

opp top right Brad Cox and Barbara Densford make their first public appearance as Homecoming King and Queen '82.

opp top right Robin Haines had the privilege of crowning the King during pre-game ceremonies before our win over Lockhart.

opp bottom left The Best Little Schoolhouse was moved to Kerrville during Homecoming for some extra fun.

opp bottom right True friends stick together — no matter what!!

top The real punks came out during Homecoming Week as these seven show their "stuff".

bottom Feelings toward the Lions were shown before the game, at the bonfire.

Homecoming Week Queens and Kings Playing Dress Up

Homecoming is probably the most popular week of the school year. This year, like every year before, the cheerleaders set a dress code for those five fun filled days. Monday, the troops at Tivy went on a lion hunt wearing their camoflaugue clothes. Tuesday, the true western spirit came about when we lassoed the lions in our boots and hats. Everyone showed the punk in themselves on Wednesday as we proved the lions were punks. Thursday, it was back in time to "Rock around the Lions" dressed in Poodle skirts and leather jackets. Friday came and Blue and Gold filled the halls for Spirit Day.

Through this week, everyone worked hard on their floats for the parade. The Senior Class' rendition of Burt and Dolly's "Best Little *Schoolhouse* in Texas" stood above the rest.

Pre-game ceremonies were dazzling as Barbara Densford was crowned Homecoming Queen and Brad Cox, King.

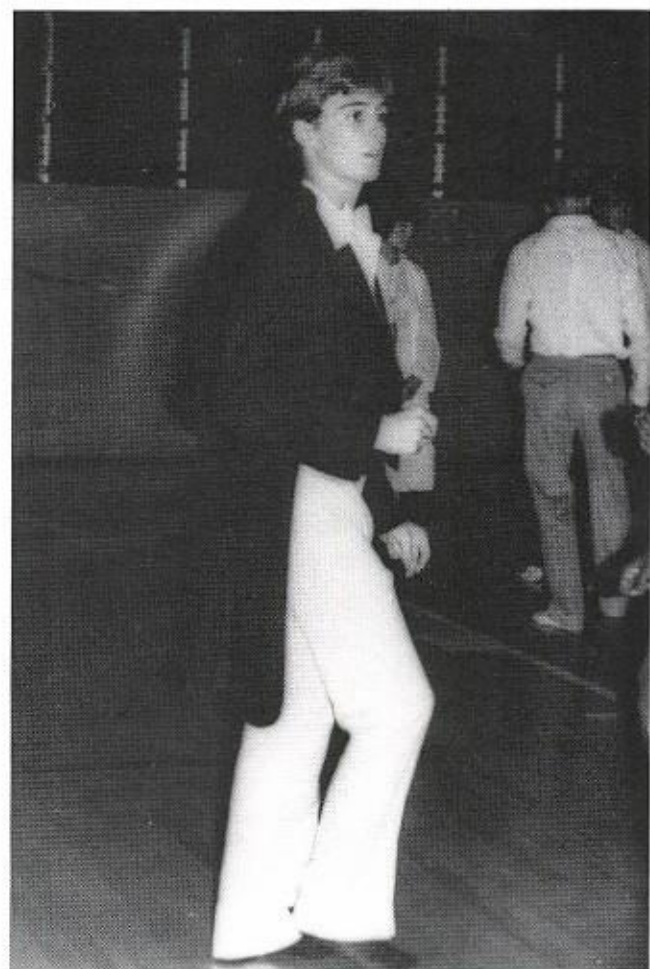

The game of the year was to be played, the Antlers as well as their opponent were 0-4. Playing hard and tough, they pulled it out 34-21. The first victory of the year made the dance a gala event. Sponsored by the Sophomores and enjoyed by everyone, "Homecoming '82", will definitely be one of the Best of Times.

top "Come they told me Pa, rum pa pum pum ..."

right Could this man REALLY teach you to play a musical instrument!!!

bottom A devious plan has just occurred to Senior Paul Brinkman.

Friends, Habits Reflection Dress Hint on Lifestyle

A persons habits may affect their way of dressing. A study conducted by the ANTLER Staff shows that surroundings, attitude and friends provide hints of one's lifestyle. For instance the oxfords, designer jeans and penny loafers are a few signs of the "Preppy species" of humans. They most likely go to an Ivy League School and go on to become doctors and lawyers.

Another example of dress would be the faded jeans, western boots and cowboy hats. These people will provide food for the rest of us as they will become farmers and ranchers.

The only group left would be those who have yet to decide what they want out of life. They are "into" a new wave, mini-skirts and maybe even green hair. It's not certain what these people can do for us but their existence is important if the best of times is to be had.

Large Selection Makes Choice Hard for Student Body

In February, nominations were opened for class favorites. They lasted a week and this year there were a variety of favorites to choose from. Everyone could pick one boy and one girl out of their class for class favorites. All-school favorites were determined by voting for anyone nominated. Many had a hard time deciding who they should vote for, but after much thought, the votes, were cast.

The couple of days that was spent counting built up the curiosity of those nominated and everyone else as well.

The following Tuesday, when the announcements were made, another one of the best of times passed us by.

opp top All School Favorites: Joe Baker and Barbara Densford.

opp bottom Senior Class Favorites: Rose Evens and Mark Mitchell.

bottom Obviously this car's lunch isn't digesting very well.

Tomorrow's Big Day; Gives All Chance To Start Over

Contrary to popular belief, high school is not a bowl of cherries. For example when you get a 79 on the math exam you had to have an 80 on, it's the pits. Or your first year as a varsity cheerleader and the football team is 1-9; the last time for the Golden Girls to dance and you get your first run; you ask a Goddess to the prom and she comes down with the chicken pox - so do you; the day of your first district track meet and you sprain your ankle. Then of course there is **MONDAY!!!!**

Mondays are typically the day everything goes wrong. First you fall out of bed, your car will not start, and five teachers give you pop tests. These are the times you wish you could go home and crawl back into bed.

Do not despair, there is always tomorrow. Tomorrow is the magic word:

"I'll go on a diet - tomorrow."

"I'll clean my room - tomorrow."

When tomorrow comes, you are still eating ten pounds of chocolate and the floor of your room is still nowhere to be found.

You ask yourself, "Why do I do it???"

And a tiny voice inside says: "Because, these are the best of times!!"

Spinach, Bad Luck Makes High School The Best of Times

High school has a great impact on one's life. Many things that happen during those four long years carry over into adult life. Sports, dances, clubs, and even classes are a part of the best of times. Above all, friendships are the most important. Gaining new friends while keeping the old can be very tricky, sometimes a friend can become jealous of another. This can also be true when "another" means a person of the opposite sex.

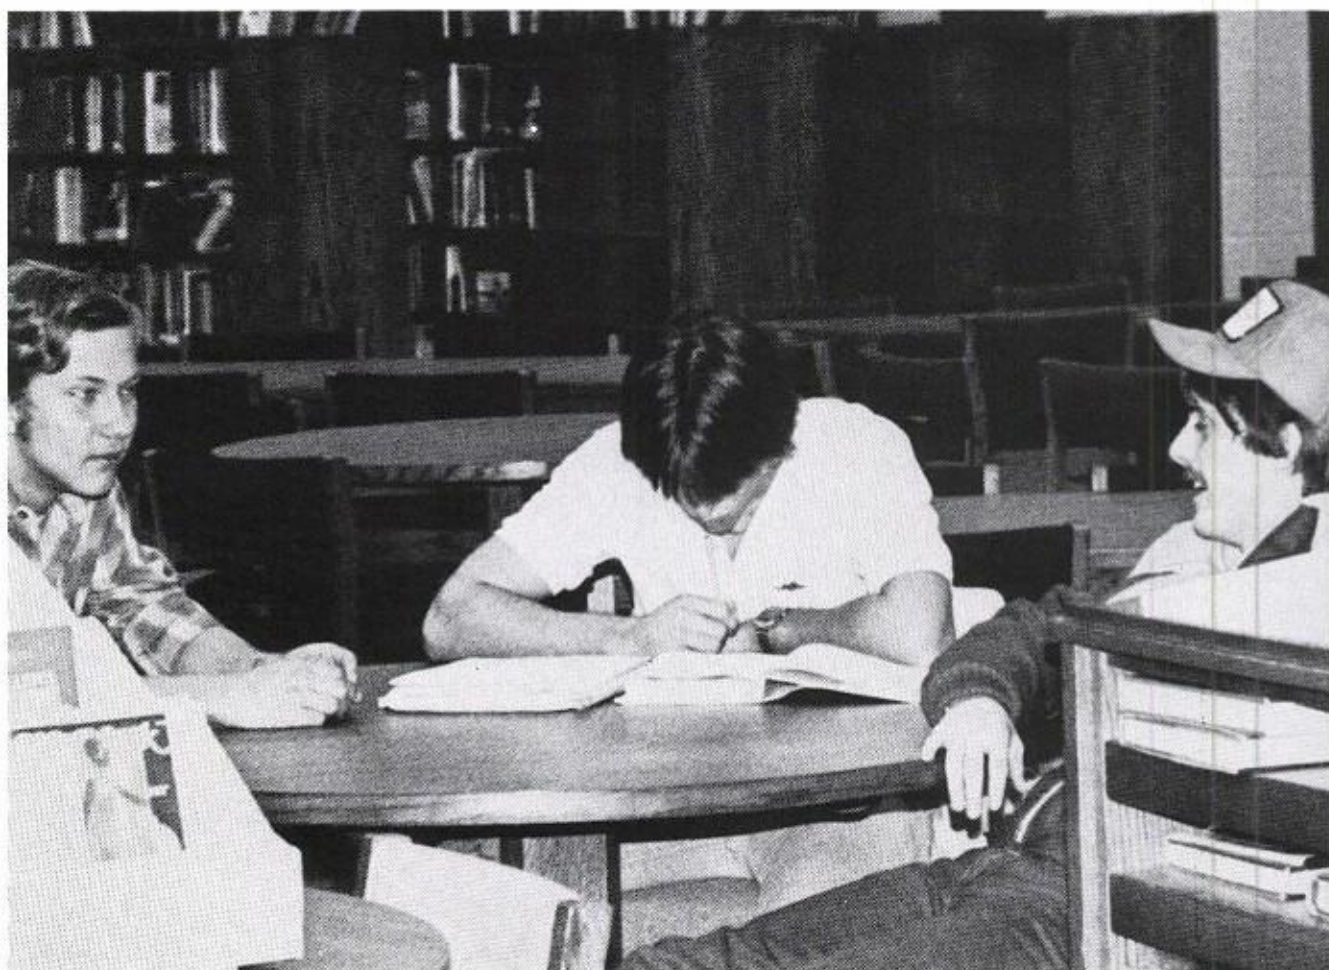

Romance is probably one of the most remembered events during high school. Especially if you married your high school sweetheart. Girls might tell their grandchildren how they had waited for "him" to talk to them for the first time or about the first time he carried her books and he dropped them in the mud.

Guys tell their grandchildren how long they had admired "her" from afar. He finally asked her out, when he went to pick her up, she had spinach between her teeth from supper. But, no matter what, those were the best of times !!

Season Challenges Varsity Antlers' Mental Toughness

"Experience is the best teacher" and experience was exactly what the Tivy Antlers lacked most. Since there were only four returning varsity lettermen, many new men had to be trained for the position.

Training started August 9, and worked on until the very last game. The Antlers never gave up.

Through ten long games, they struggled for a victory, only once succeeding. The win being over Lockhart on Homecoming.

We were proud of the effort they put in as well as the athletes themselves. Being an Antler is the greatest, regardless of a winning or losing season!!!

J.V. Works Hard Winning Seven Losing Only Three

All that hard work and dedication paid off this year with the Antler J.V. team experiencing the best of times as they captured the District title. They ended the season with a 7-3 record.

The team was ready for their first game against Del Rio and it showed as they defeated them 30-20. In the second game they stomped South San West 21-0. The third game against Southwest was even better than the previous game with the final score being 40-0. The next game against Uvalde ended in disappointment as they were defeated 0-20. The fifth game against Lockhart was cancelled due to a large number of their players being moved up to varsity. The Antlers then came back and defeated Gonzales 39-0. Tivy's rival, Fredericksburg, defeated the Jayvees in their seventh game 20-31, during our open week. The Antlers defeated New Braunfels the next week 24-14. In our eighth game, they lost again to Fredericksburg by only two points 23-25. The Antlers then went on to defeat Hays Consolidated 7-0. In their last game against New Braunfels Canyon, the Antlers experienced another victory with the score being 27-20.

Freshmen Try Hard Talent, Potential Not Quite Enough

The Freshman Football team had a lot of talent and potential this year but forty-five minutes a day wasn't quite enough for the team to get everything they needed together especially against teams that practiced two and three hours a day. The season got off to a good start with the Antlers winning the first two games against Del Rio 26-20 and Southwest 21-14. The third game was a loss to Uvalde 6-28. Lockhart was defeated 21-20 to give the freshmen their third win. The team was then beat by Gonzales 27-30 making the record 2-2. In New Braunfels, the Antlers suffered another loss 17-36. The last three games also ended in defeat for Tivy with the opponents and scores being: Fredericksburg 0-24, Hays 0-14 and New Braunfels Canyon 14-21. This brought the record to be 3 wins and 6 losses for the Antler Freshman team.

Lady Antlers Glow In District Play; Losing Regionals

The varsity volleyballers experienced a great season as they made it all the way to regionals this year.

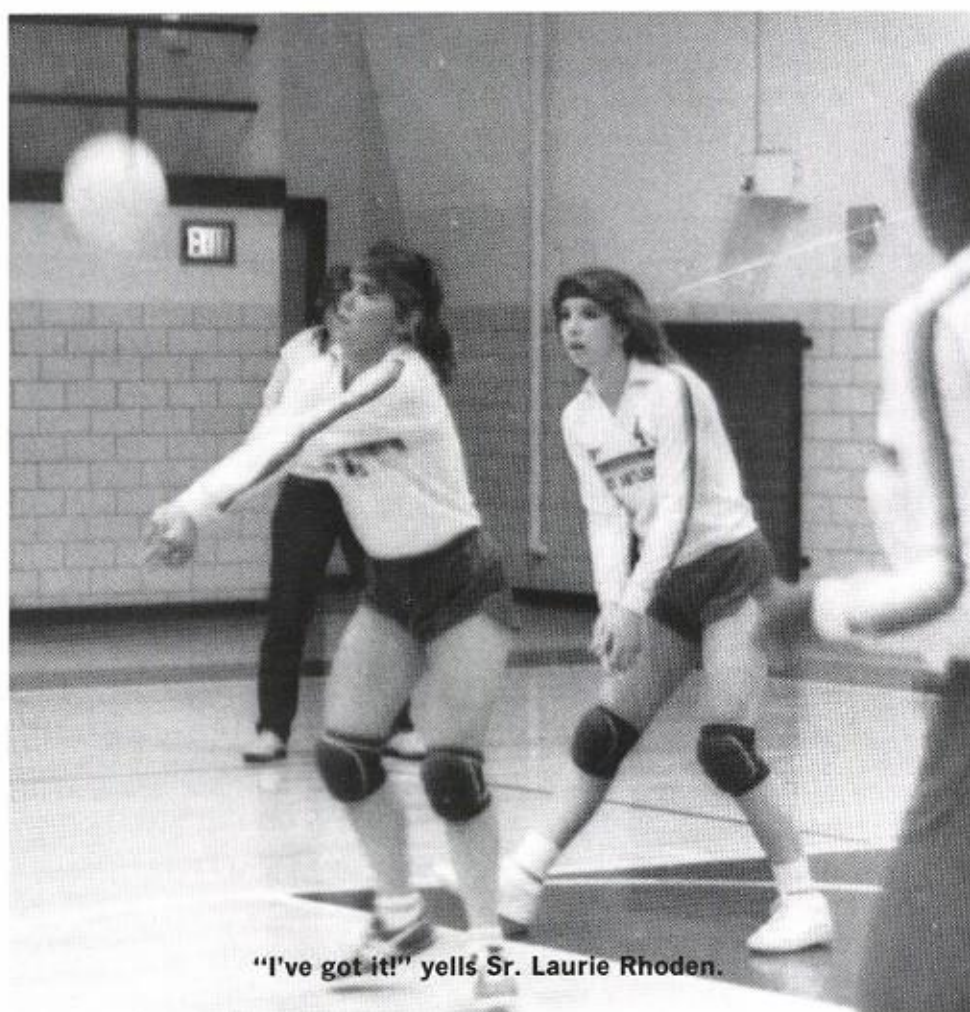

The district record ended up 7-1 and the season record was 21-6.

The Lady Antlers were well prepared for their first district game against Hays Consolidated and it showed as Hays was defeated 15-2 and 15-5.

Tivy again dominated in the next game against Lockhart, 16-14 and 15-13. The Lady Antlers winning streak continued as they defeated New Braunfels 8-15, 15-3, 15-3; New Braunfels Canyon 15-7, 12-15, 15-12; Hays 15-8, 15-4 and Lockhart 15-12, 15-2. This winning streak was broken when New Braunfels beat Tivy 15-2 and 15-7. Tivy then bounced back to defeat Canyon 16-6 and 15-3.

Coach Seeds showed a lot of patience and dedication in training her volleyball players and it showed.

JV Determination - Key to Success

Determination and willpower were the keys to the Lady Antler J.V. success as they experienced some good times this year with their applying some of the knowledge they gained in practices.

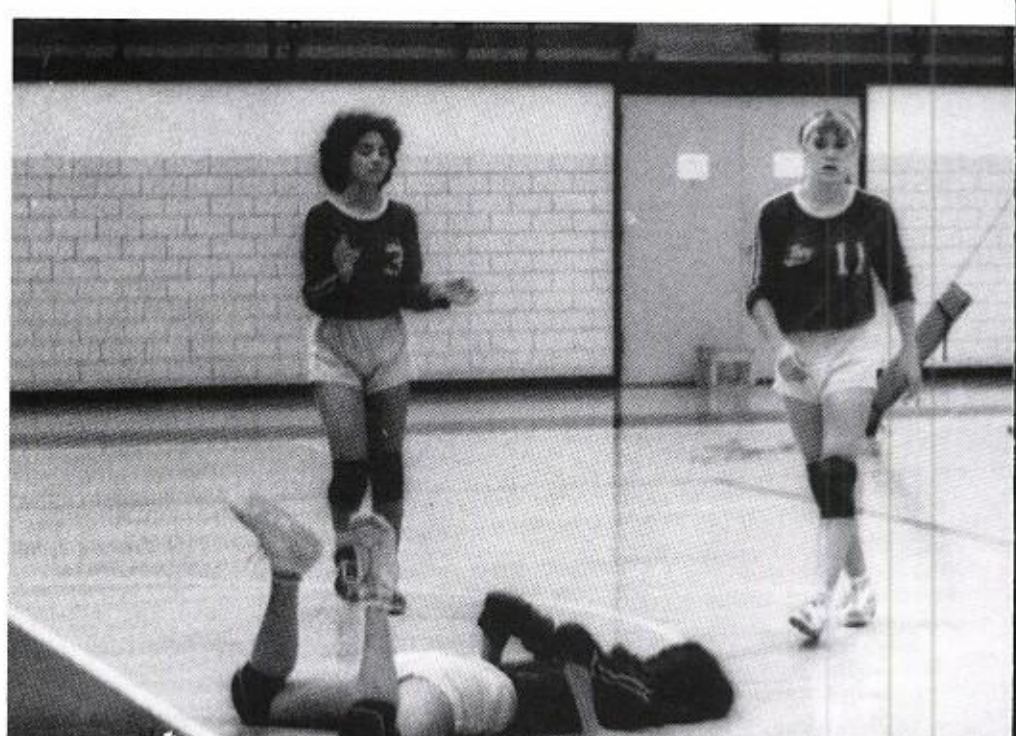

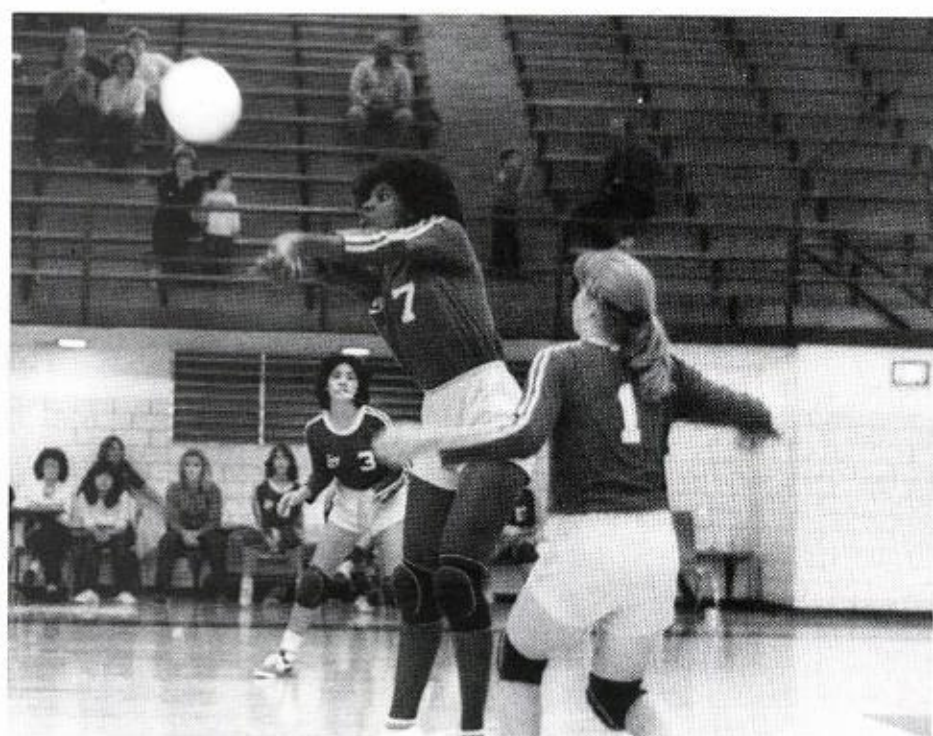

In their first District game they defeated Hays 15-9 and 15-3. The second game against Lockhart was a repeat of the first with the final tallies being 15-9, 15-5. The New Braunfels vs. Tivy game ended in another victory for the Lady Antlers with

a 15-1, 15-11 score. In the fourth game however, the jayvee's experienced their first district loss against Canyon 9-15, 9-15. They then came back to defeat Hays 15-6, 13-15, and 15-2. The sixth game ended in yet another victory for the Ladies with Lockhart losing 15-6, 15-2. Tivy then beat Canyon 15-11, 15-10 and 15-7. This ended the season with a 19-6 record and a 7-1 District record.

top Time for another pep talk from Coach Seeds.

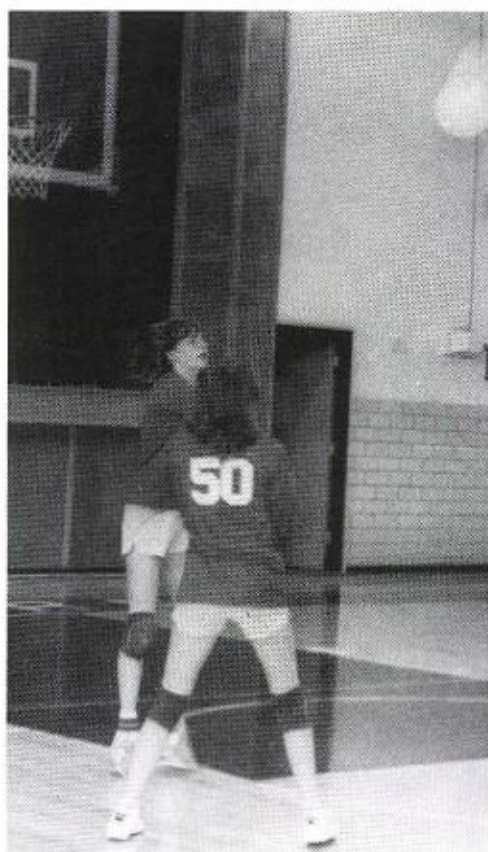

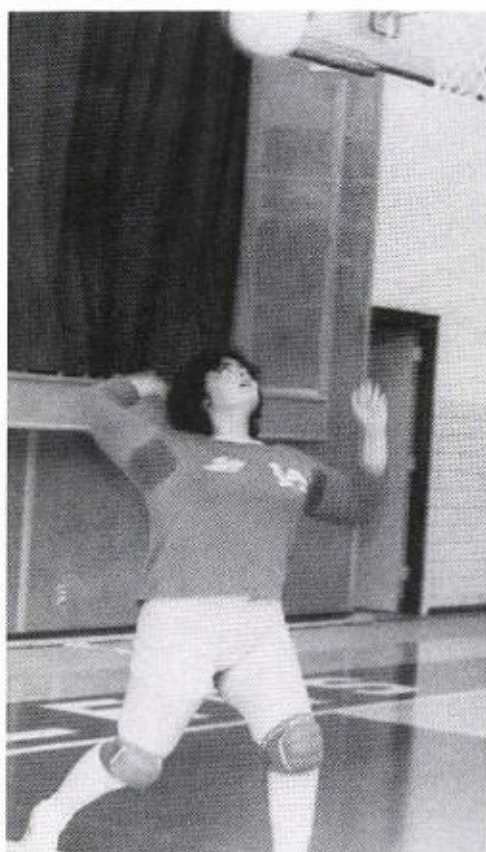

left Kim Fifer intently bumps the ball for a point.

right OH NO, I lost my contacts!!!

Working Together Good for Freshmen Volleyball Season

Freshmen girls started their volleyball season off a little apprehensively. They started learning the fundamentals and building up their stamina in mid-August. Soon they became confident of the team as a whole. By working together and with a lot of team spirit, they experienced a great season, placing second in district with a record of 5-3 and a season record of 19-8.

Antler Basketball Has A Tough, but Good Season

Though height was not a big factor, the varsity boys basketball team stood well above the other teams in their division.

Their overall record was 22-11.

The game that opened such a good season was a heartstopping 57-55 win over Boerne. The second game was not as good, they lost 41-75. The third time was a charm and a 53-44 win over West Campus set the mood for the South San West Tournament.

The group came home for a 53-49 win over South San West. Then it was on to Austin for another tournament.

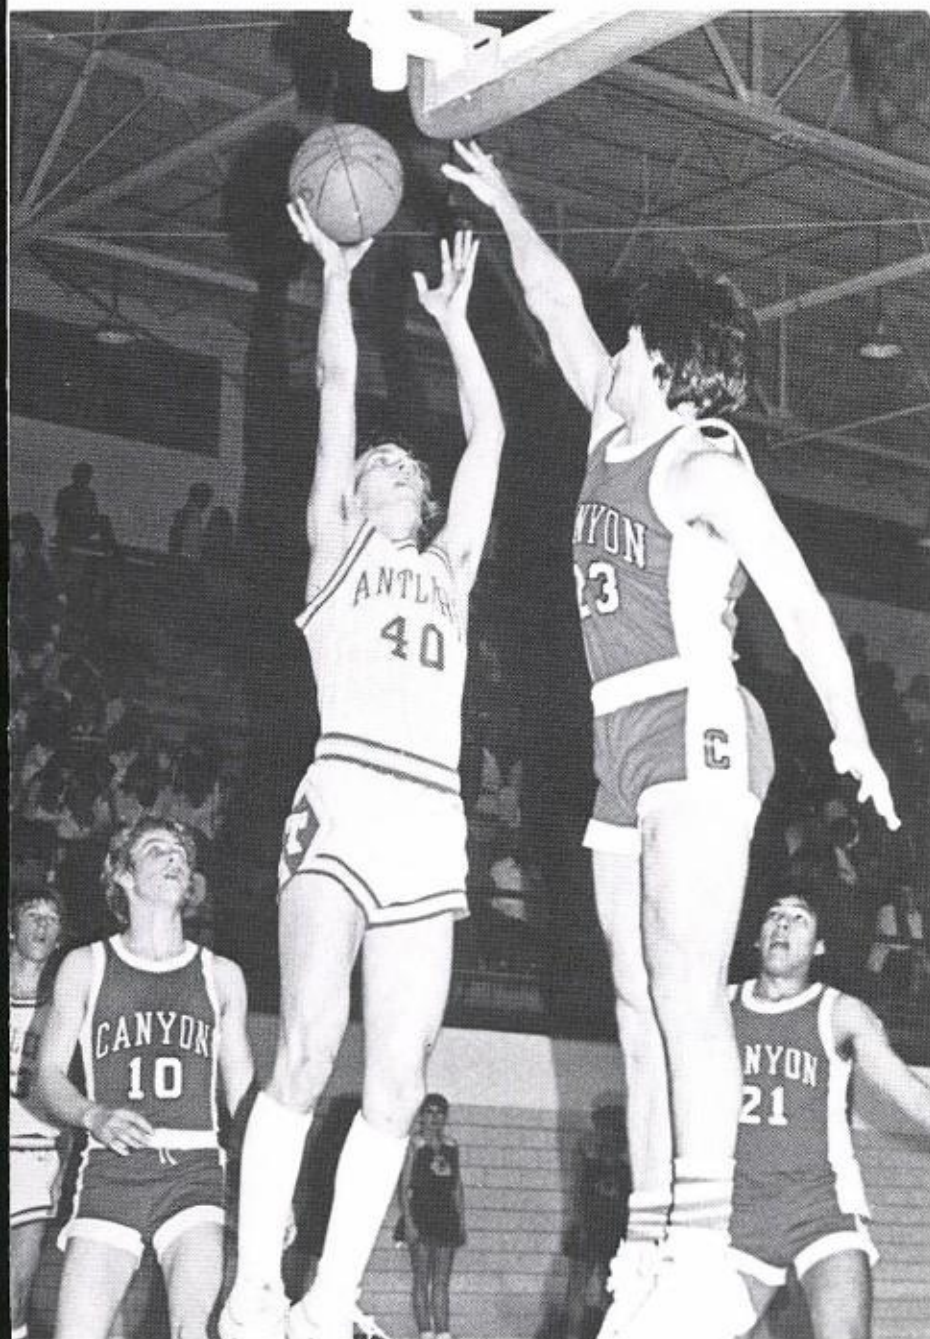

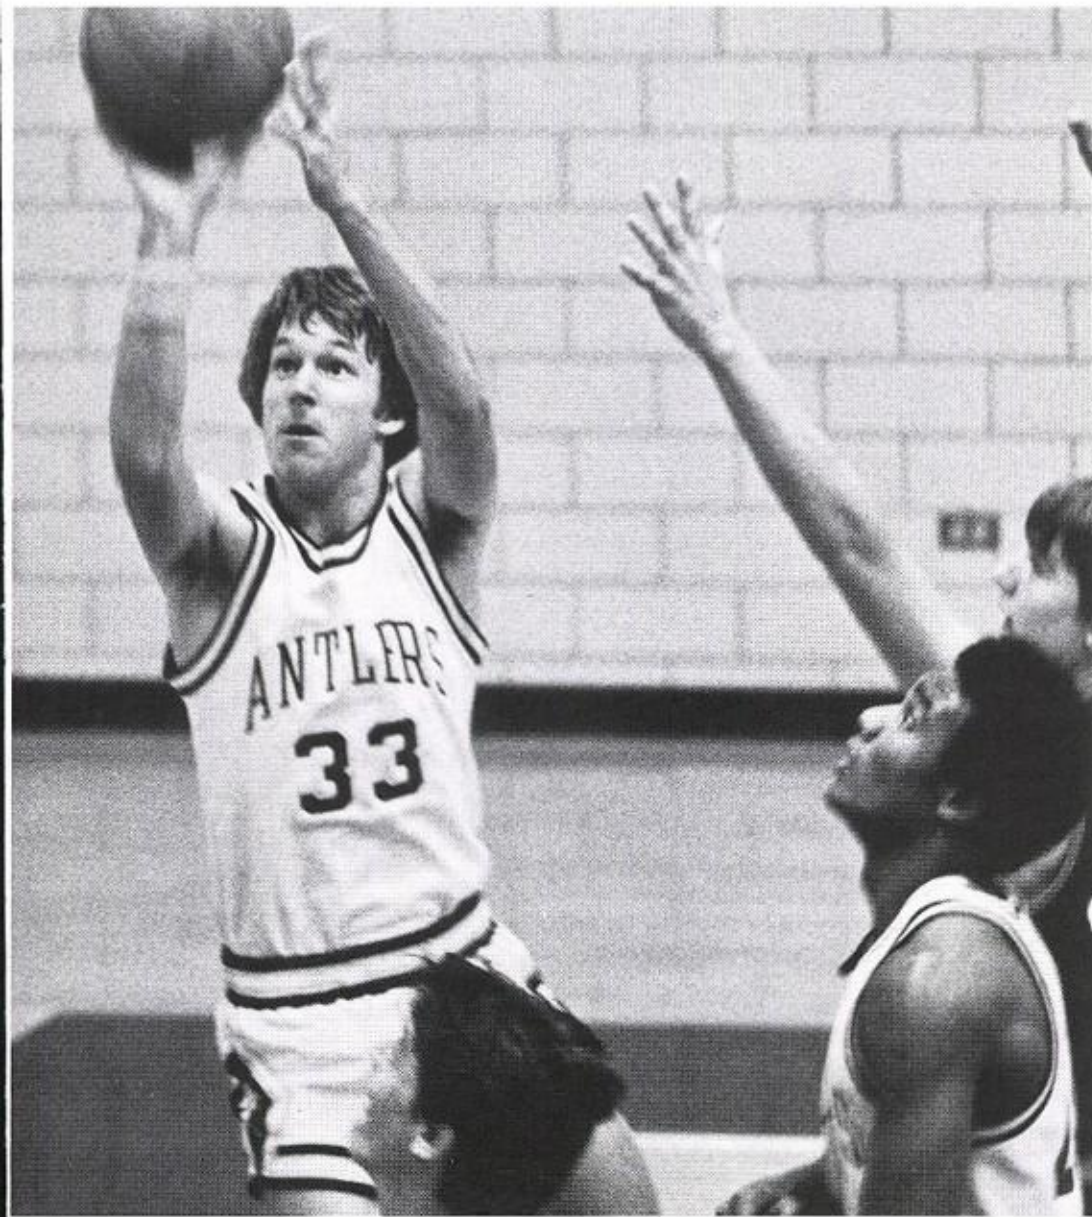

On December 14, they lost a close one 51-52 to West Campus. After a thrilling tournament at Northside, our cagers went to Boerne and again topped the Greyhounds, this time 45-44.

A trip to San Antonio Madison and a 33-46 beating was next for our tough team. Followed by another loss to Del Valle. This game ended the regular playing season giving the Antlers a 4-4 record.

con't.

Varsity Cagers Successful, Season Record Shows It

The district season opened on the right foot for the cagers. A fast comeback in the fourth quarter gave the Antlers a 60-58 win over Lockhart.

In Apache territory they did not do as well. Though the Antlers scored 36 to their 18 it was not enough. A 63-50 win over New Braunsfels lifted the spirits of our mighty Antlers. This spirit came alive as the Antler dealt the goats an 82-65 beating and with the 62-55 win over Hays, the Antlers had a 4-1 district record. The winning streak continued; 64-44 over Canyon, 48-42 over Lockhart, and 61-49 over Gonzales. It did not stop there, the Antlers topped New Braunsfels 59-49. On Antler territory the Billies dared to go and after an 83-54 loss, they stayed away for a long time.

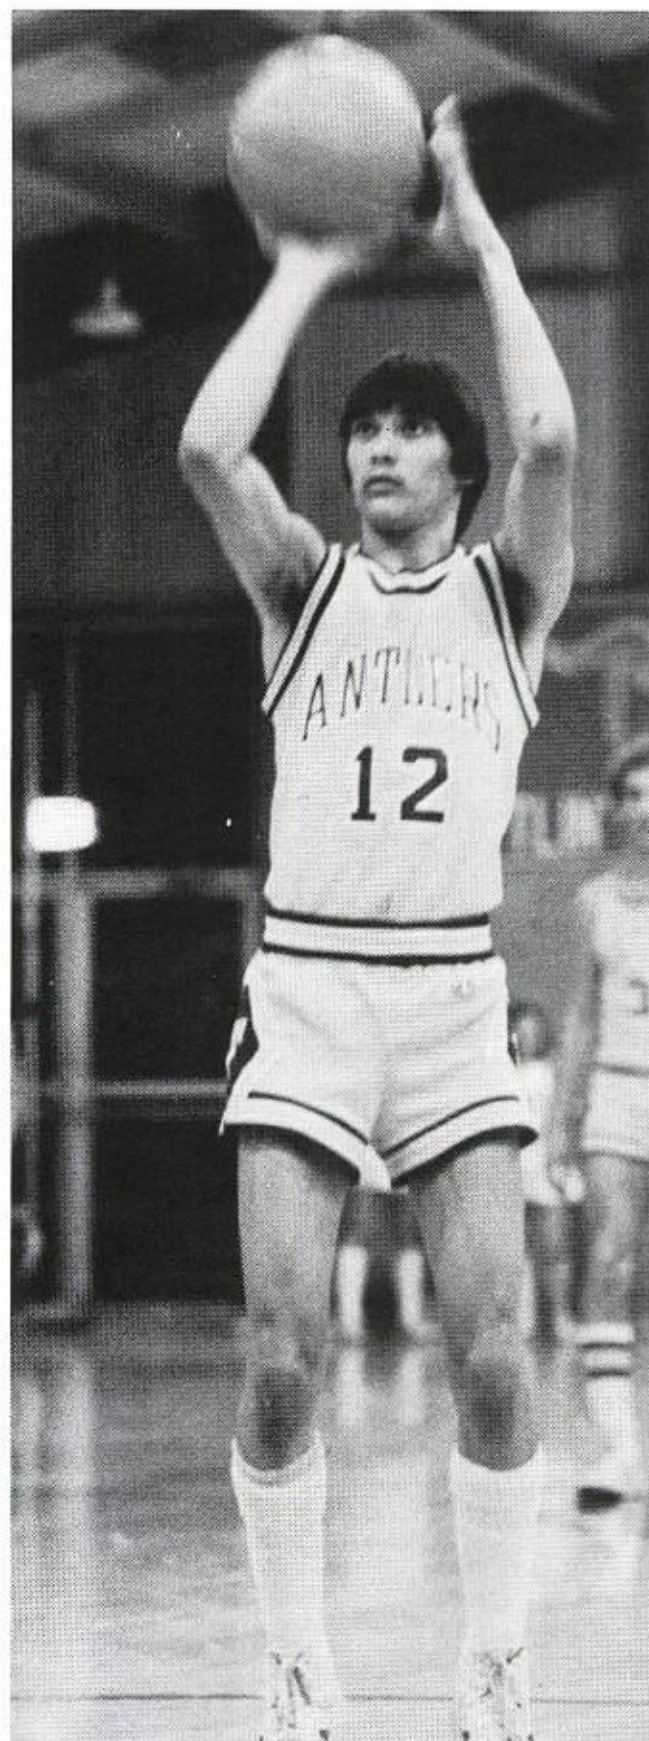

Everyone for miles around dreaded our mighty Antlers. Hays lost 63-49 to this miraculous group of wonders. The 70-53 win over Canyon ended the regular season play for Tivy.

Now, some strong competition would come along. And with an 11-1 district record they were ready for "anything".

"Anything" including a 74-48 loss in a warm-up game against Austin Westlake. "Anything" also including a 66-64 win over Alamo Heights for the Bi-district title.

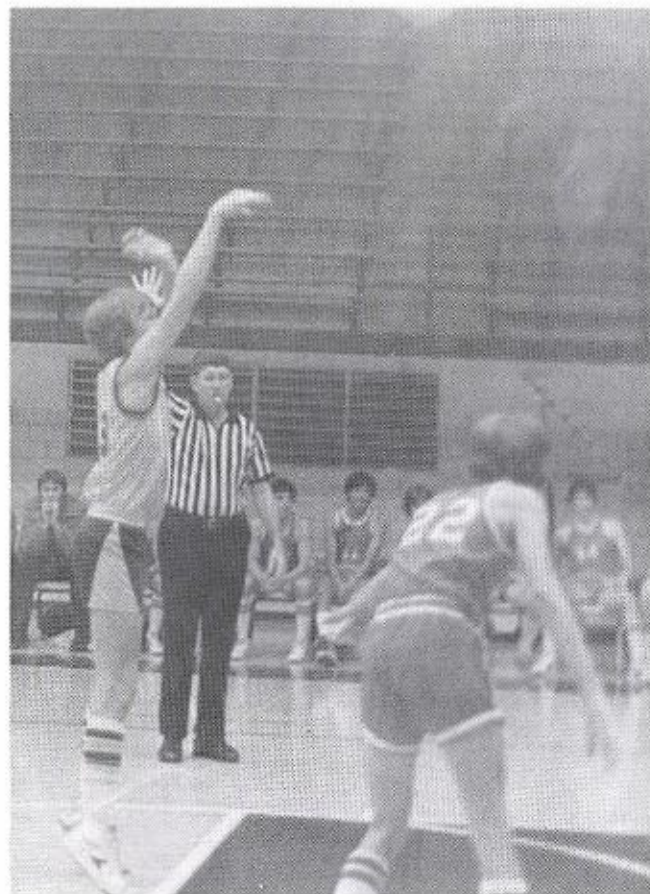

Unfortunately, the winning stopped there, our talented group lost 67-51 to a tough Flour Bluff.

We were really proud of our cagers. For all these basketball games help create the best of times!!!

bottom J.V. Basketball team l to r: Coach Jim Jost, Marcus Johnson, Cody Hedgpeth, Doug Robertson, Ron Hewitt, Steve Jacobs, Bo Freedle, Chili Diaz, Eric Long, Lamar Lane, and Ray Springs.

JV and Freshman B.B. Teams have A Great Season

The JV and Freshman basketball teams both had reason to be proud of themselves.

The Junior varsity team ended with a 16-8 record. They scored over 1400 points and allowed less than 1100. Bo Freedle was the leading scorer with 200 points in 29 games. Doug Robertson had 46 steals and 60 offensive rebounds.

A key player, Ron Hewitt, moved early in the season and though at first there were doubts, the team still had a very succesful season.

On the court with Freedle and Robertson were starters Steve Jacobs and Cody Hedgpeth. Lamar Lane and Marcus Johnson alternated the starting ball-handler position.

The freshman team did just as well with 14 wins and 4 losses.

Kent Bowers was the leading scorer with 181 points. Todd Billeiter followed with 177. As a team, they scored 1388 buckets while allowing only 1058.

Getting used to a new coach is not easy, but getting used to a new team is just as hard. The team and the coach adjusted fairly quick. Coach Jim Jost had many new techniques that paid off for both squads.

top These boys worked hard to make their new coach proud.

Varsity Netters Win District Title To Finish Season

The 1982-83 Girls Varsity Basketball Team had an outstanding year, with a twenty-five to five record. Coach Stuart Caulkins felt they had an excellent season and was gratified. Caulkins replies, "I believe all my girls gave a hundred percent." He feels that although they are losing seven seniors there are quite a few good players left on varsity, as well on JV.

Coach Caulkins feels they are all very talented. The outstanding players of the year were: Barbara Brantely, and Wanda Klerce - All District and Susie Cook, Karla Kaiser, and Stephanie Gamble - Honorable Mention All District.

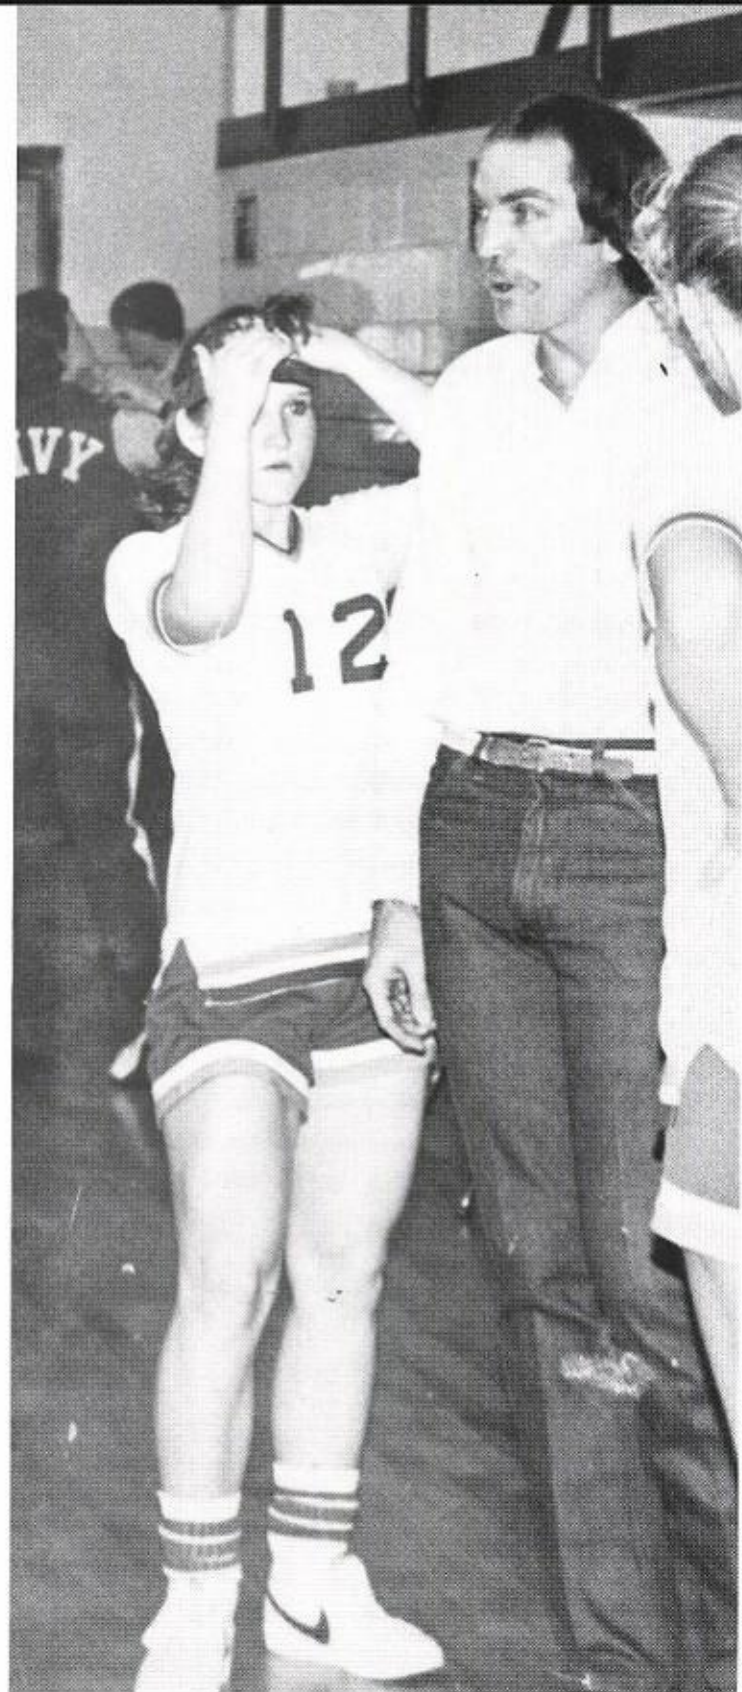

This was the first group of girls in the history of Tivy High School to ever win a District Championship.

Freshmen Girls Have Tough But Winning Season

The Freshman girls basketball team started the season with a positive six game winning streak and ended the season with an 11-6 record. The Freshman team worked long and hard hours under the direction of Coach Pat Seeds.

The hard work paid off as the Freshman team won their first two games against Boerne 44-14 and 20-17. Devine was the next victim losing 44-25. Jourdanton's loss came at the hands of Tivy 53-36. Pleasanton followed with a loss 32-27. Tivy improved their record to 6-0 with a Smithson Valley 43-30 loss.

Tivy's Freshman girls basketball team

got their first taste of defeat from Center Point Varsity 47-32. The Freshman girls bounced right back and defeated Smithson Valley 41-38. Fredericksburg gave the Freshman girls their second loss 59-43. Hays won a 32-28 decision over Tivy. Tivy lost 43-36 to Southwest to give them a record of 8-3.

Tivy's Freshman girls got on the winning track as Boerne fell to Tivy for the third time 46-29. Tivy made it four in a row as Boerne lost again 55-21. Tivy picked up another victory as Gonzales lost 50-34.

Tivy ended the season on a low note, as Fredericksburg and Hays defeat the Freshman girls basketball team 49-43 and 23-10.

Tivy Frosh teams honors were a first place in the Pleasanton Tourney and a third place finish in the Fredericksburg Tourney. The Tivy Freshmen ended their season with an 11-6 record.

top Jana Mulvey, future Tivy swimmer, practices the butterfly stroke for an upcoming competition.

bottom This swimmer practices his summer away hoping some day to become the best.

Low Participation Shown By Students Creates 1 Man Team

If someone were to ask you about Tivy's swim team what would you tell them? Now if you are in doubt let me clear the fog from your brain. Yes, Tivy DOES have a swim team.

The participation from the students wasn't extremely high this year but we did have one dedicated member, Ricky Barrera. Ricky diligently worked even though we aren't equipped with the facilities he didn't give up.

He was under the supervision of Tom Claiborn. Tom hopes that the organization will soon get off the ground and the interest pick up so Tivy can be better represented in competition.

bottom Ex-Tivy student, Tim Lenneman, shows his skill at the breast stroke.

Hard Work Gains The Tennis Team a District Title

"Gentlemen on the line," is one thing Coach Dechert's tennis players hate to hear because it usually precedes what are commonly known as "killers" to the players.

Killers are just one of the many conditioning drills the players practice to build up the stamina they need. This year's tennis players had some experience before and were trying to polish their game. So they could shine during the Regional Team Tournament held at Tivy in mid-February.

Shine they did, they placed third by beating New Braunfels Canyon and Uvalde to qualify for the State Team Tournament in New Braunfels. The District Tournament was held at the beginning of April but that did not mean the team was not busy.

Coach Dechert scheduled dual matches and tournaments nearly every week to keep the players in the swing of things. Over-all the team had a great year.

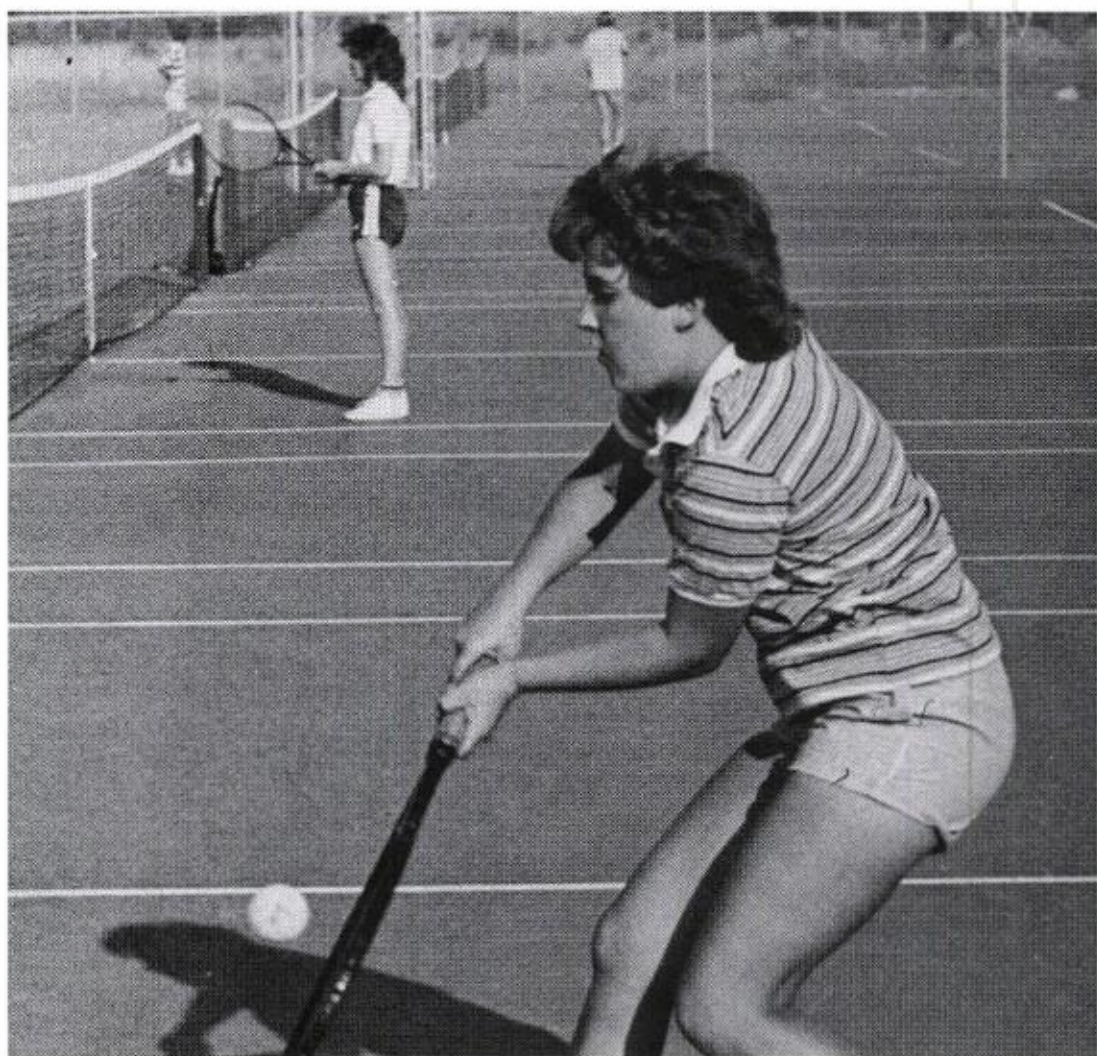

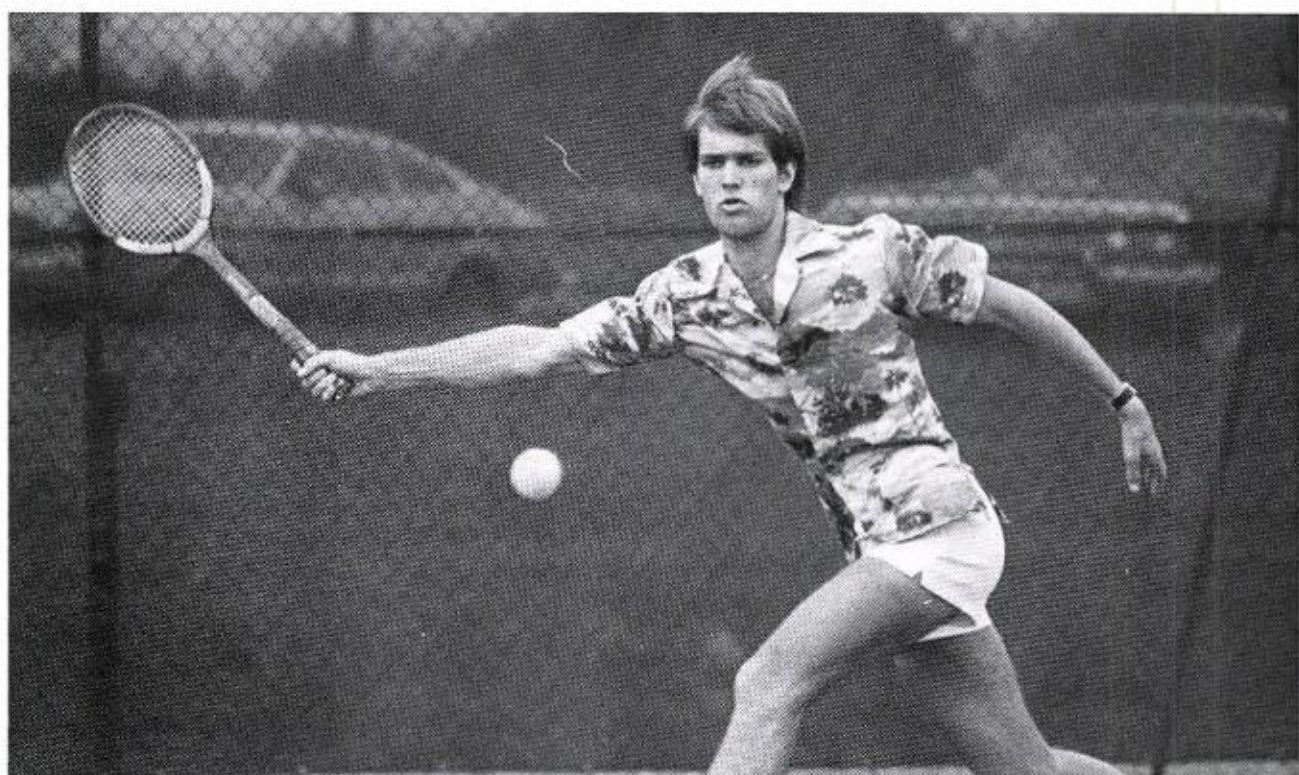

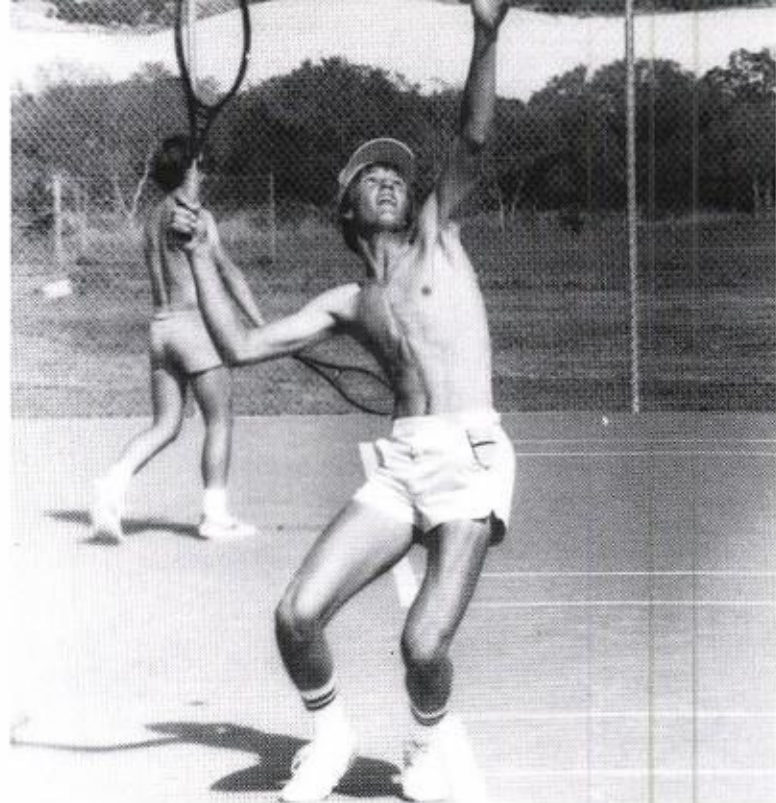

opp top This year's Varsity Tennis team included Matt Angell, Lee Burton, Courtenay Allen, Mike Miller, Drew Crocker, Andrew James, Stephen Schmerbeck, Coach Dechert, Judy Rittmann, Amy Benson, Robin Braswell, Janelle Gambrell, Diane Ratcliffe, and Kim Resnick.

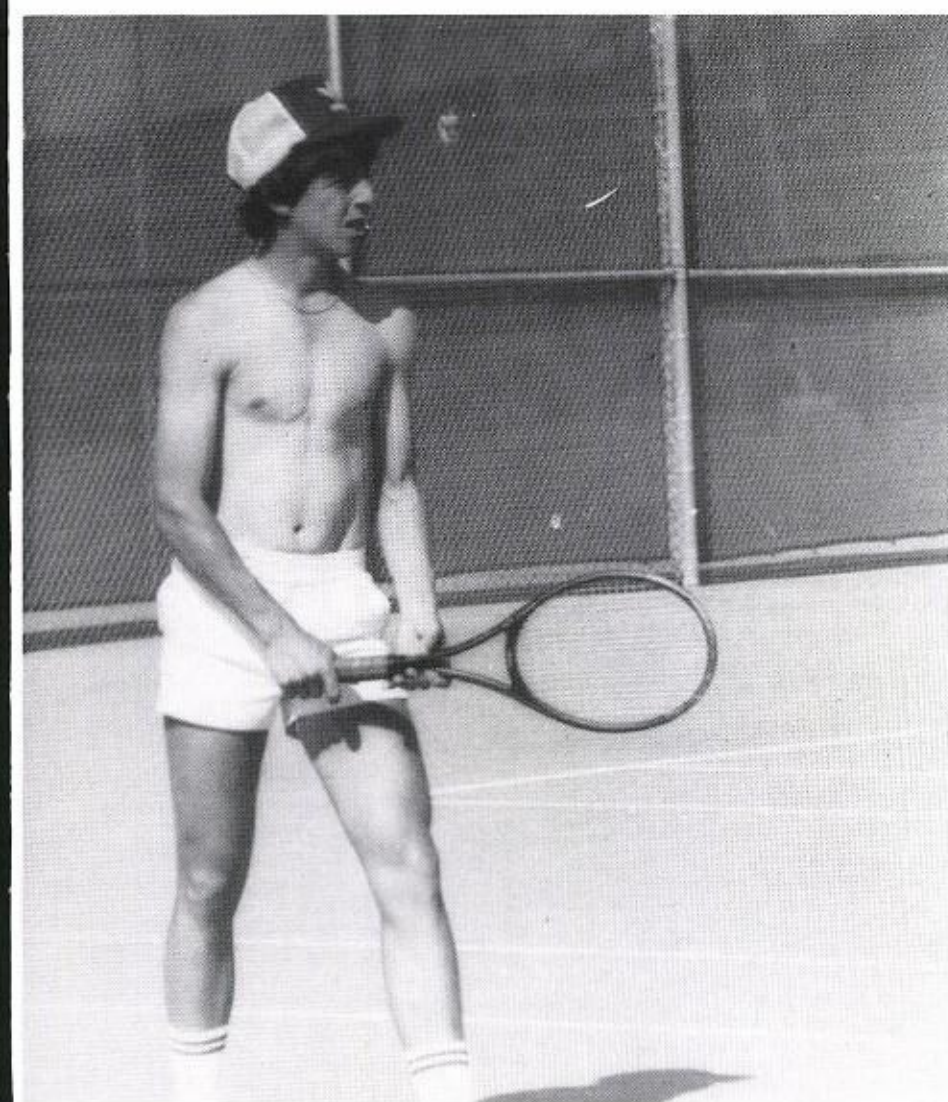

opp bottom Mike Miller waits to approach the net after his partner returns the opponent's serve.

top Courtenay Allen prepares to ace his opponent with his lightning fast serve.

middle "Reach is the word for this shot," thinks Drew Crocker.

bottom Diane Ratcliffe scoops the ball off the court and over the net.

opp top Chuck Boccock follows through on his forehand shot.

opp bottom Kyle Enderlin demonstrates the proper form for a backhand volley.

above This year's J.V. Tennis team consisted of Per Floritine, Josh Elmore, Kyle Enderlin, Chuck Boccock, Greg Kappler, Lester Ris, Coach Dechert, Melissa Garza, Shelia Harmel, Corinne Baker, Julie Kilgore, Sheryl Lackey, and Patty Brown.

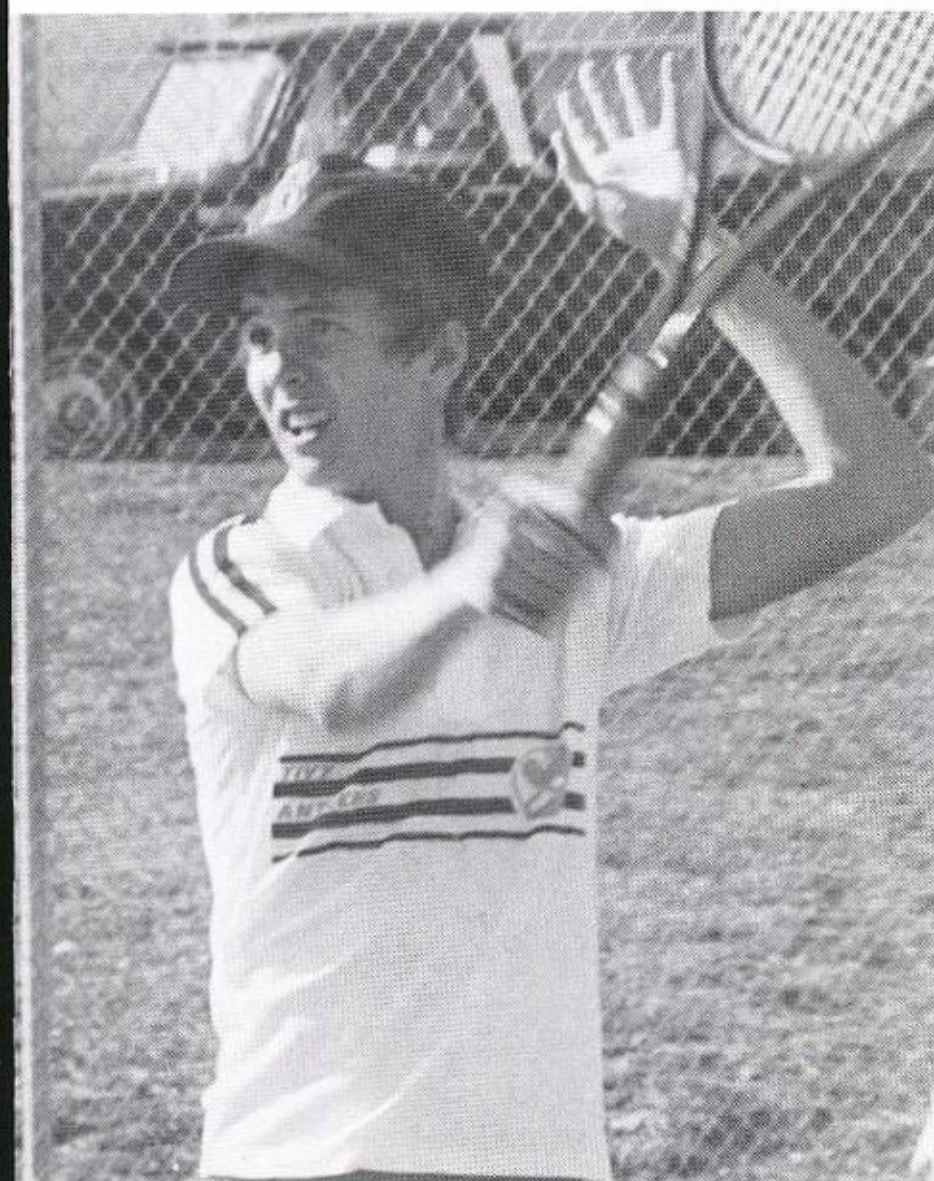

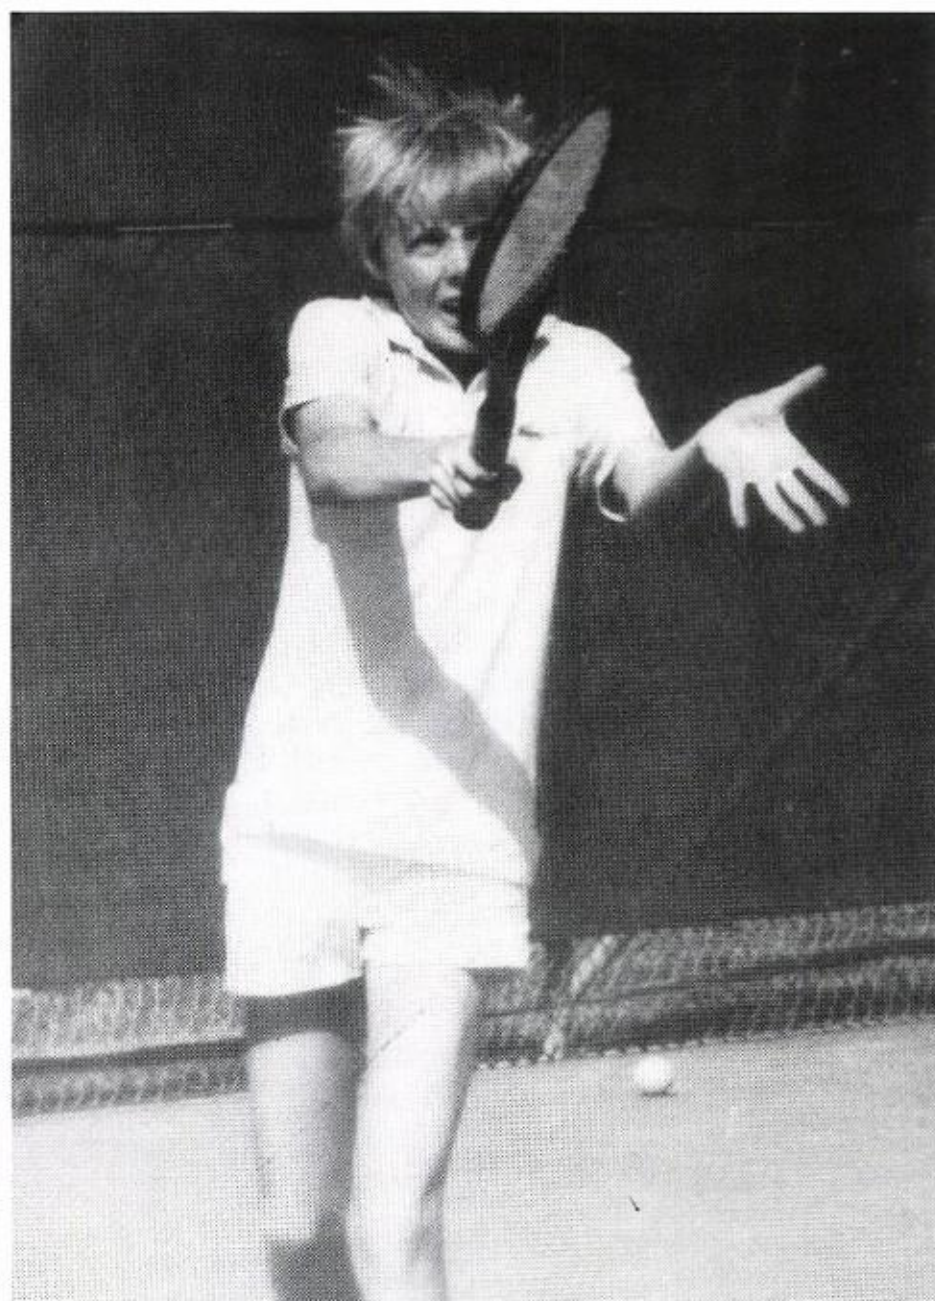

J.V. and Frosh Tennis Team Shows Great Potential

Most of the Junior Varsity and all of the Freshman tennis players were new on the scene this year and had to learn the ropes. The new players had potential and put it to work gaining stamina and coordination. They also tried to develop a strategy which is a big part of tennis.

The J.V. and Freshman players offered support and team spirit for the Varsity during Regional and State competition.

All of the Freshman and J.V. players show great potential.

They should produce real competition next year.

Cross Country Team Wins District Title And Heads for State

The Cross Country Team won the District Championship at Fredericksburg. Matt Taylor came in first and Louis Torres placed fifth. Scott Willmann also placed in the top ten coming directly behind Torres in sixth place. Richard Bill and Andy Abel contributed to the teams standing with Bill in fourteenth place and Abel in fifteenth. Mark Eagleburger and Tim Scott also posted their best times at the district meet.

As Tivy advanced to the regional meet, their overall team standing put them one ranking away from going to the state cross country meet. Matt Taylor placed second at regionals losing by 1/100 of a second to the first place runner.

Taylor ran with a minor sore throat at the state meet and still did an exceptional job coming in sixth.

JV Cross Country Fairs Well at District Finishing in Top Ten

The Junior Varsity Team proved themselves when they ran at the district meet. Every runner finished in the top ten. Jesse Garcia was the top J.V. runner finishing second with Robert Ayala, Ruben Constate, and Jim Freeman finishing close behind. The J.V. would have taken the J.V. District Championship if they had taken all of their runners.

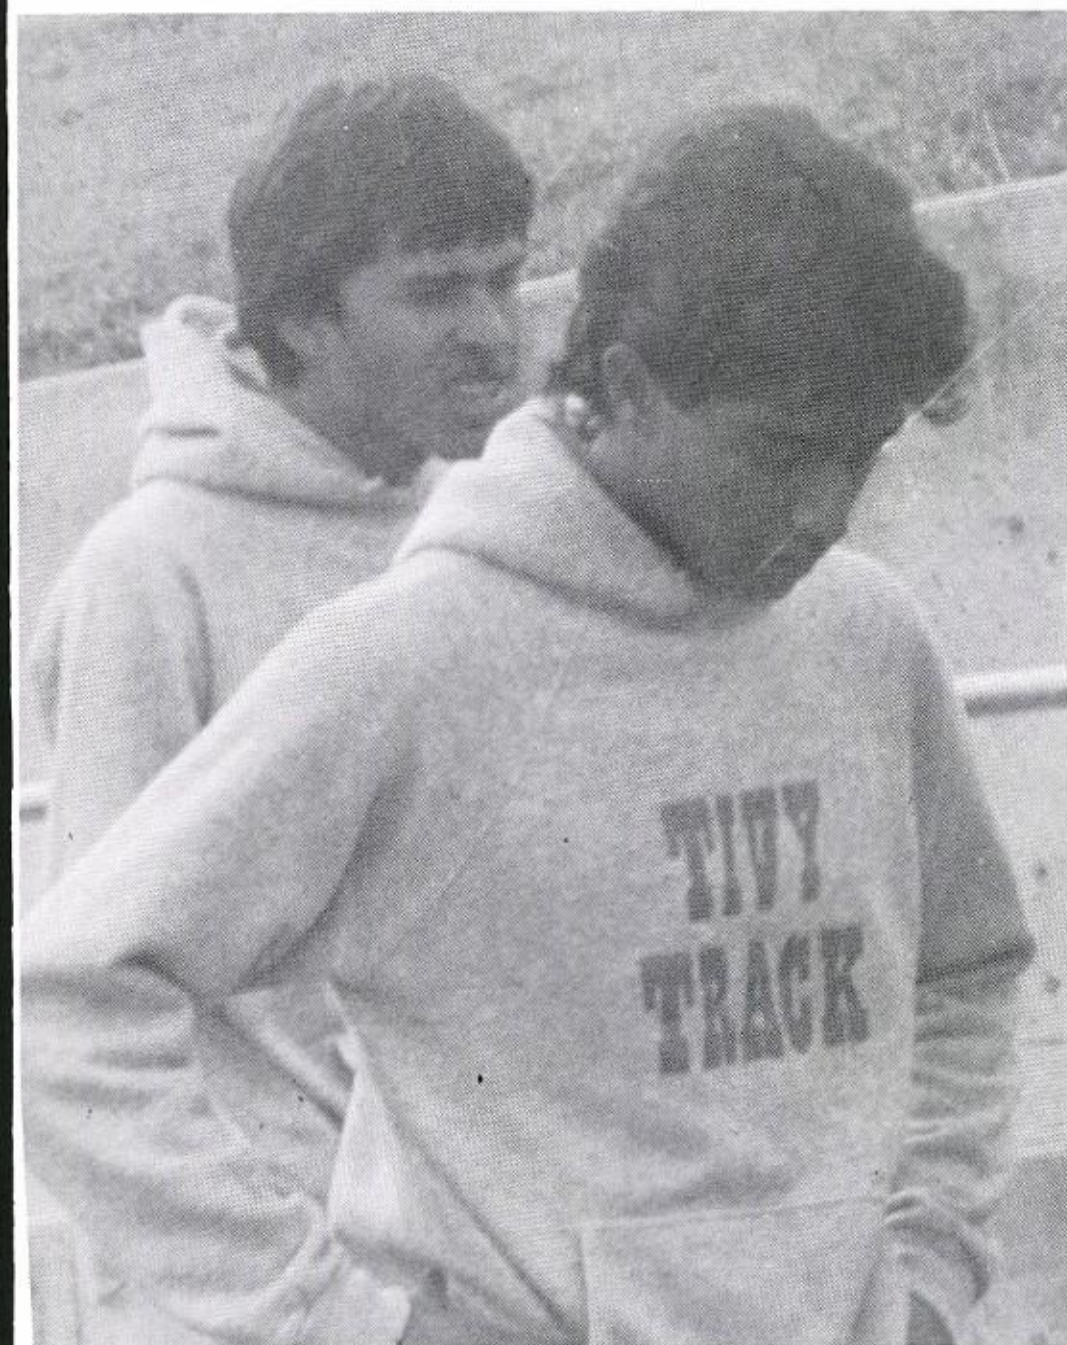

The 1982-83 Junior Varsity Cross Country runners this year were: Jesse Garcia, Robert Ayala, Jim Freeman, Scott Greg, Rusty Modgling and Ruben Constate.

top left Tivy Cross Country Team are from left to right: Matt Taylor, Louis Torres, Richard Bill, Scott Willmann, and Andy Abel.

Harder Schedule Conditions Runners For a Better Season

The runners are in place and the bodies are tense, as if for a few seconds time stood still. Several well conditioned runners wait, the gun sounds and the pounding of feet are all that sounds in a new track season.

The Lady Antler track team prepared to face competition. Training under the direction of Coach Rick Jacob, the girl's team ran the 100 yard sprint, one mile relay and competed in numerous other track and field events.

As practice makes perfect, the girls track team worked for perfection in running, jumping and throwing.

Superior Ratings Earned by Golfers Generates Chirisma

The 1982-83 Golf Team proved to be very successful in their season, ranking in the top in most 5-AAAAA tournaments and winning the Horsebay Tournament.

The Antler linksters were very successful in stroking it in the hole and maneuvering their clubs to their advantage. When District tournament came, the Tivy Golfers played very hard and showed how awesome they were by blowing out all other schools.

The Varsity placed first and the J.V. placed second. Seven out of the top ten golfers were from Tivy, showing how superior they were.

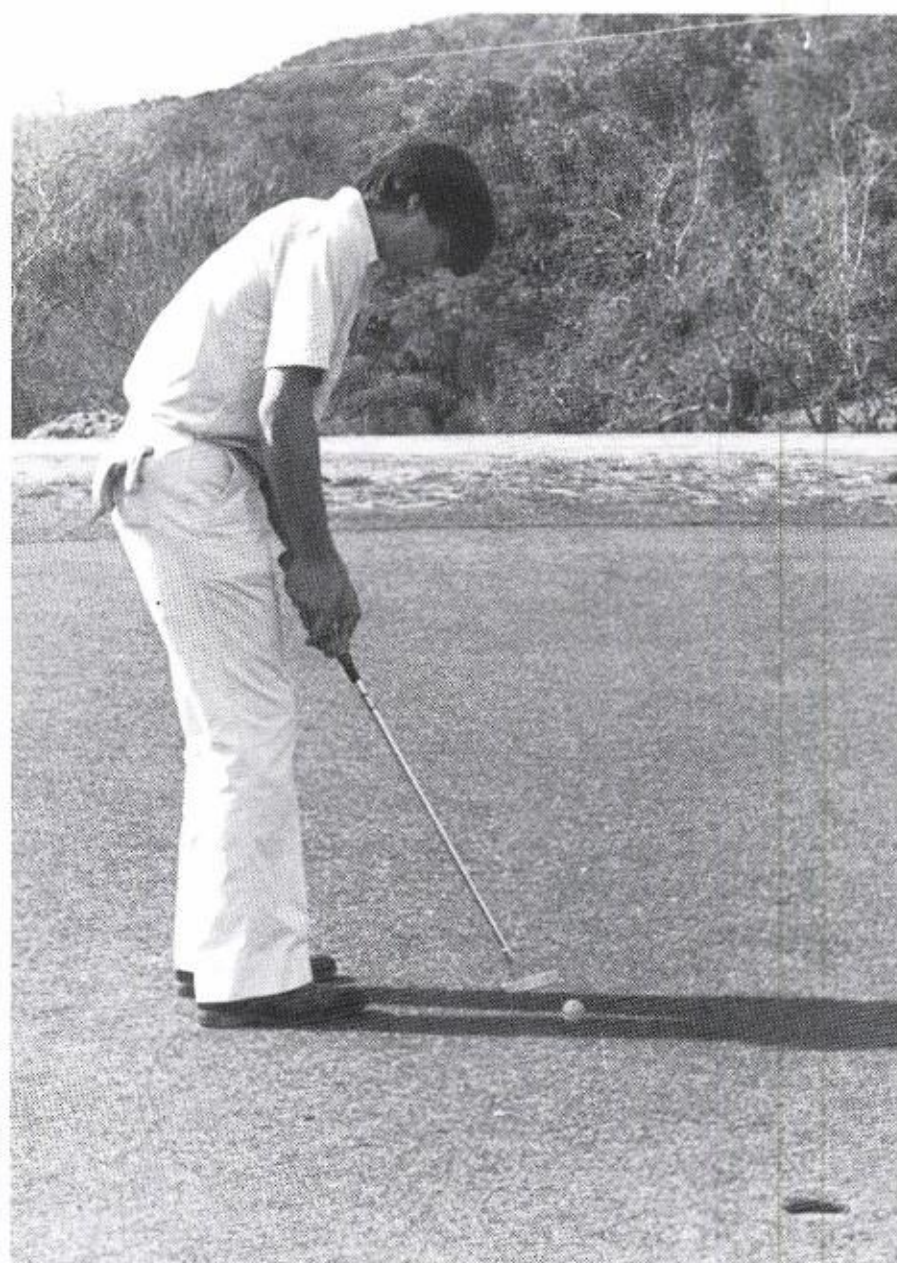

Brett Denton took top medalist after being behind Nick Hernandez the first day of play. His brother, Barry, took second place honors by just falling four strokes behind Brett.

Advancing to the regional tournament, the competition grew much stiffer. After the second day of play, the fighting golf team missed going to state by just two strokes. The whole time Coach Ron Vick was at their side, at the regional tourney, giving them strong support and much needed advice.

Once again, the Denton twins played their hearts out as both knew that this was possibly their last tournament before college play.

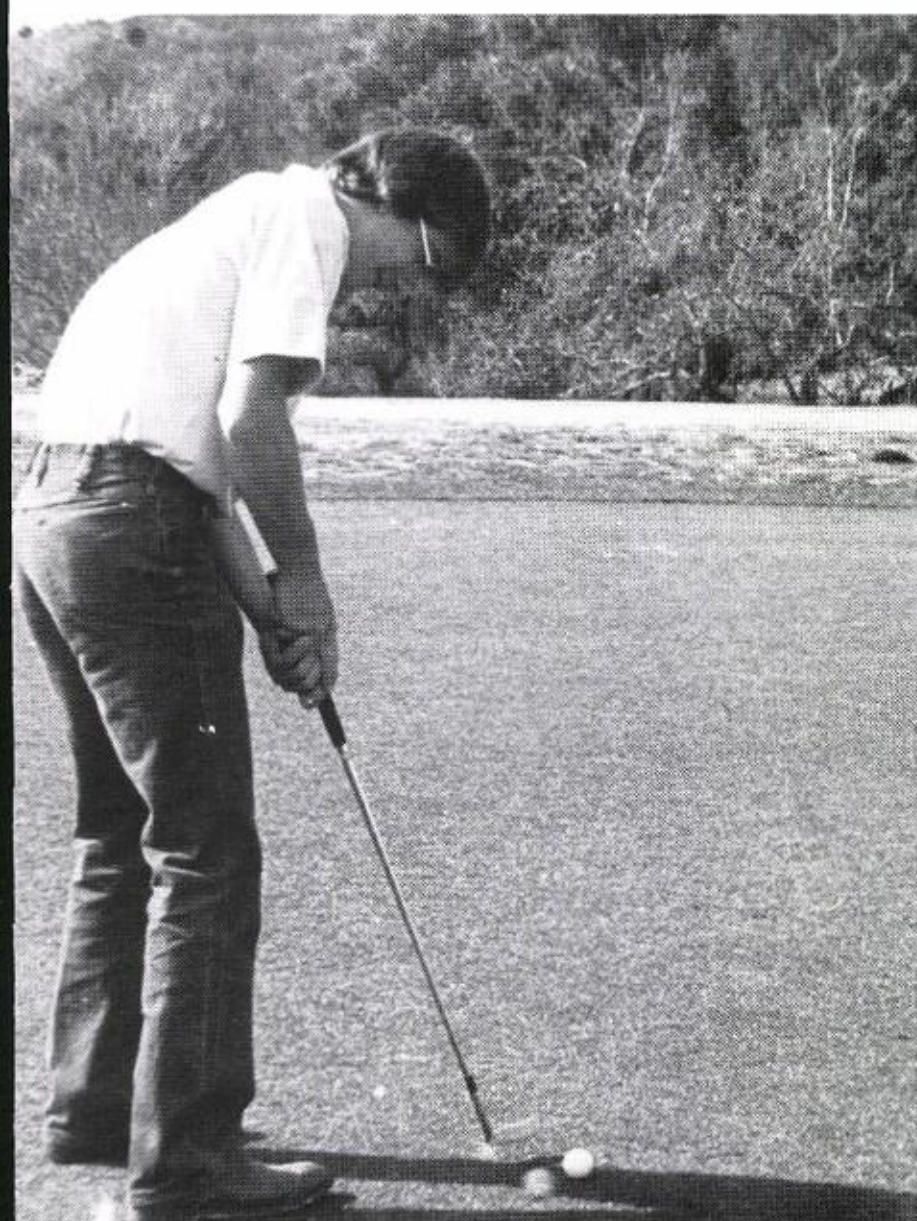

top Nick Hernandez finds golf rather relaxing.

bottom "Grin and bear it, Mark," mumbles Brett as they pose for a passing photographer.

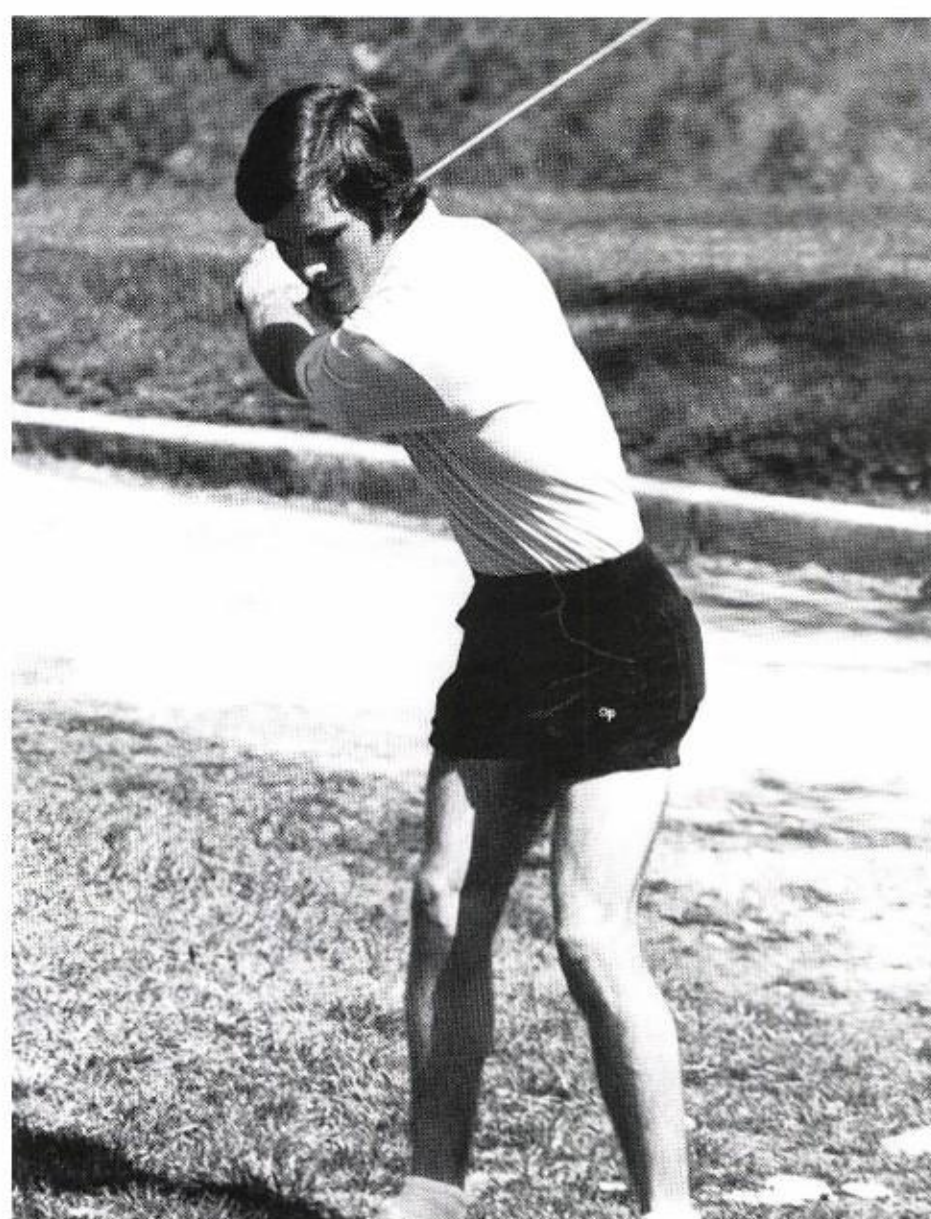

top 1982-83 Varsity Golf Team left to right: N. Hernandez, B. Denton, K. Harris, B. Denton, D. Kaiser.

bove "I've got it this time." thinks Kevan Harris.

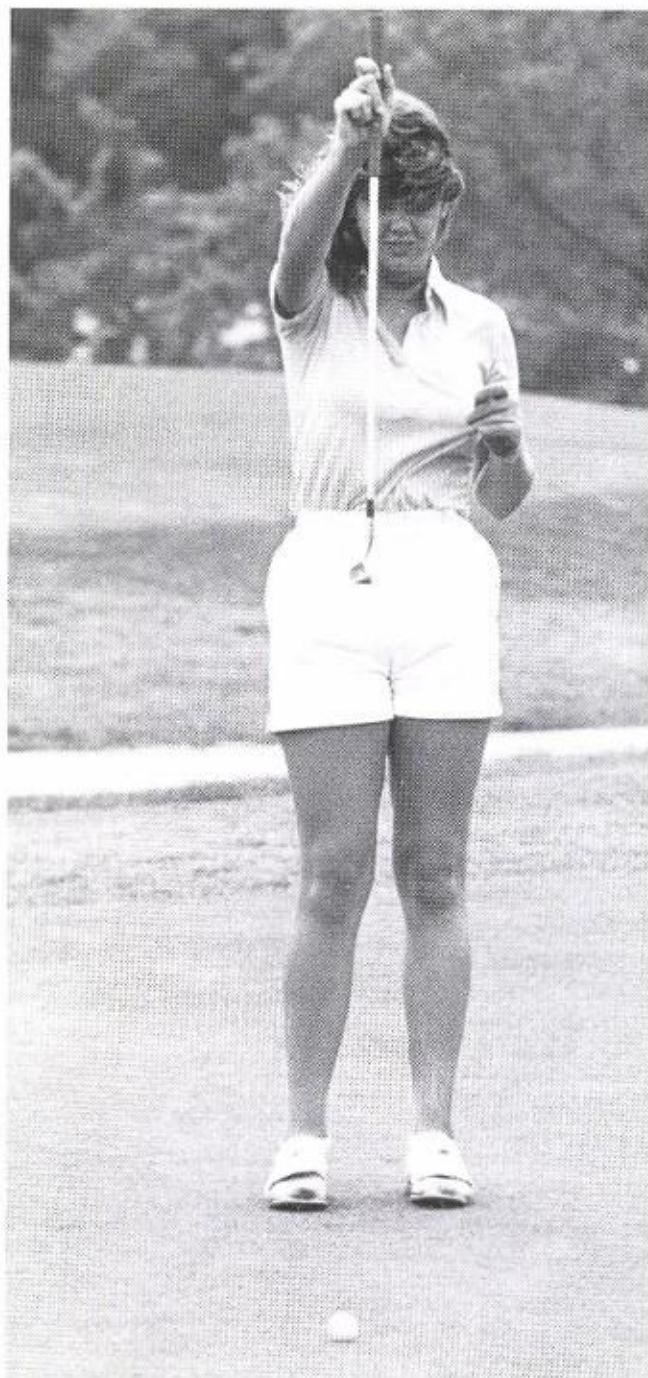

ght "Now where did that ball go?" thinks Brett Denton.

Experience Gained Through Hard Work And Dedication

The Lady Antler Golf Team started out with much experience since they had 3 returning lettermen. This was an advantage which helped them win District and qualify for State.

The Lady Antler Team worked well together. They had the ability and proved it with their concentration, skill and most of all practice. When asked if all the work was really worth it, the answer was that if you like something well enough you'll give it all you've got just to be the best.

"The Lights Are Warm and Coloured" Makes Regionals

The one act play this year was entitled "The Lights Are Warm and Coloured." The Cast rehearsed many lunch hours and after school to make this play a success.

Under the great direction of Mrs. Bobbie Murray the play went all the way to "Regionals" in Corpus Christi.

Casting for the play was hard, because of the talent here at Tivy.

The students that worked so hard on this play were: Micki Larimer, Tara Ferguson, Mary Ann Borkowski, David Beeler, Norma Garza, Matt Profit, Elizabeth Young, Kathy Chiles, Sally Baulch, Jack Uecker, Lisa Bavousett, Joel Baulch, and Michelle Knox. Many other students and faculty also contributed their talents as well.

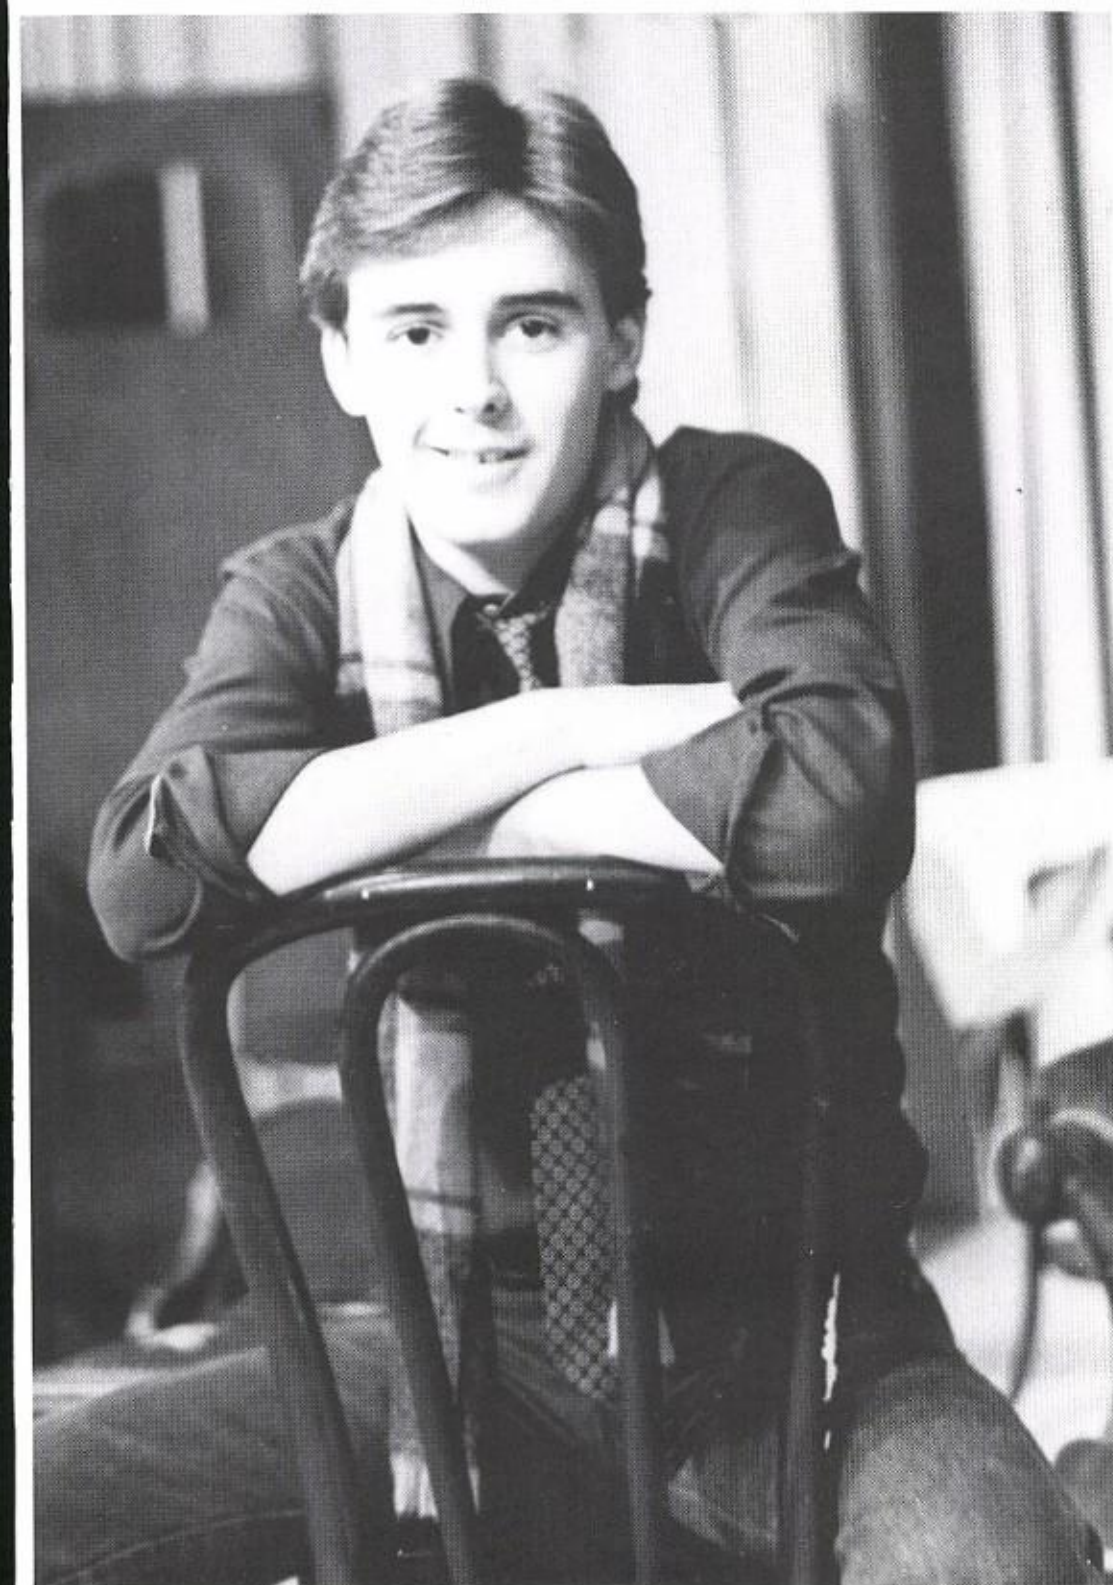

lower right left to right back row: Norma Garza, Matt Profit, Kathy Chiles, David Beeler, Bobbie Murray, middle row sitting: John Ruth, Micki Larimer, Elizabeth Young, Mary Ann Borkowski sitting foreground: Raelynn Mahlmann, Dorcas Scottow, Joel Baulch, Kym Rediker. being held: Josh Park

below Norma Garza is calm and relaxed after Ms. Murray's hard practices.

left What kind of evil scheme is David up to with Elizabeth and Norma?

David Beeler looks exhausted after a hard practice.

Elizabeth Young really lives her parts.

Math and Science Team have Good Strong Year . . .

The University Interscholastic League (UIL) Math/Science division under the leadership and direction of Stan Foskett.

The Math/Science area participated in many practice meets. They also participated in area and district competition where Paul Valasek won a second place.

Events that they participated in were: number sense, calculate and science related tests.

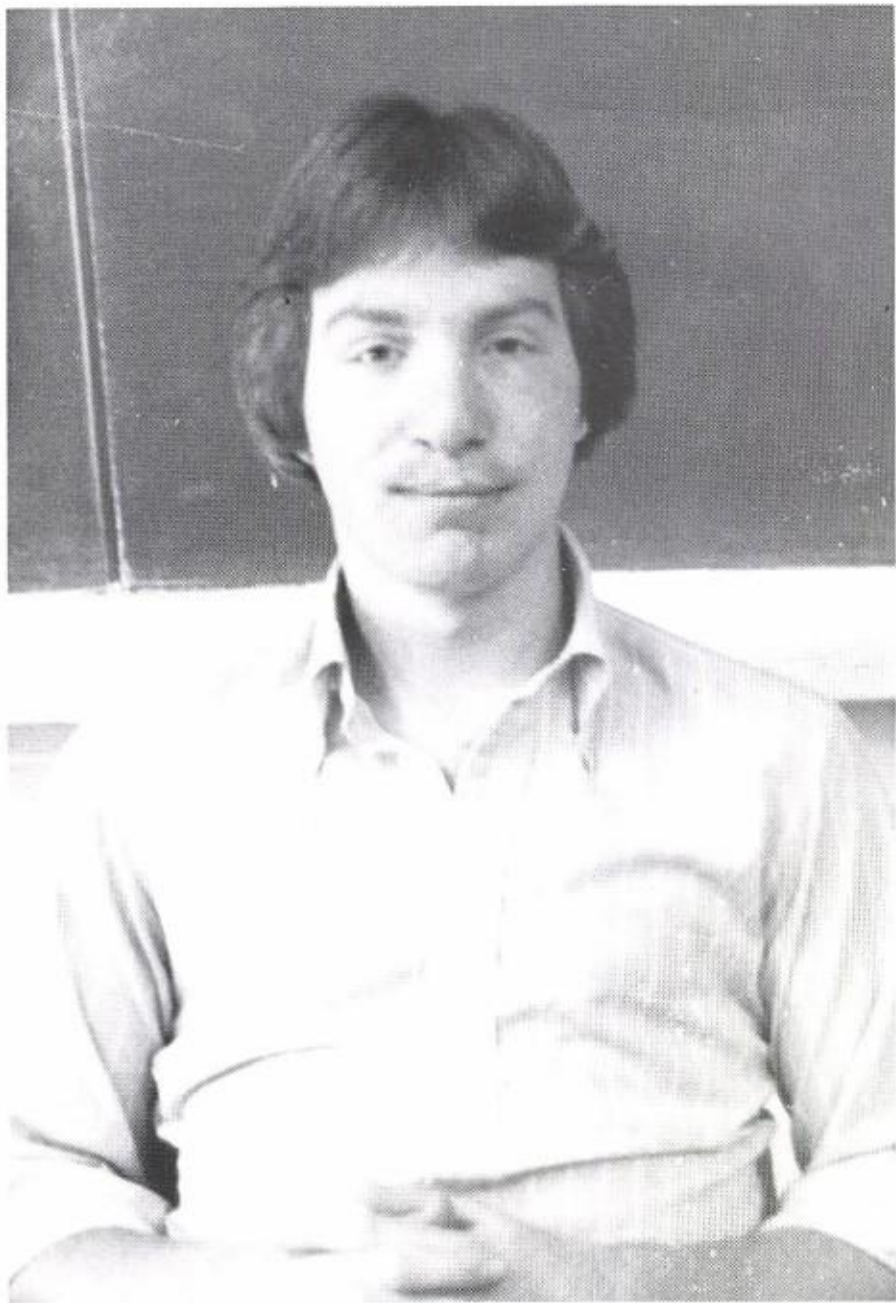

People involved with the math/science contests were J.M. Nunn, Kirk Dimery, Angela Stepherson, Denton Mauldin, Julie Schulze, Mark Wersonske, Paul Conditt, and many other hard working individuals.

Angela also placed high in math contest this year.

It to rt: J.M. Nunn, Denton Mauldin, their Sponsor Stan Foskett, Angela Stepherson, Paul Conditt, Julie Schulze, Kirk Dimery, and Mark Wersonske.

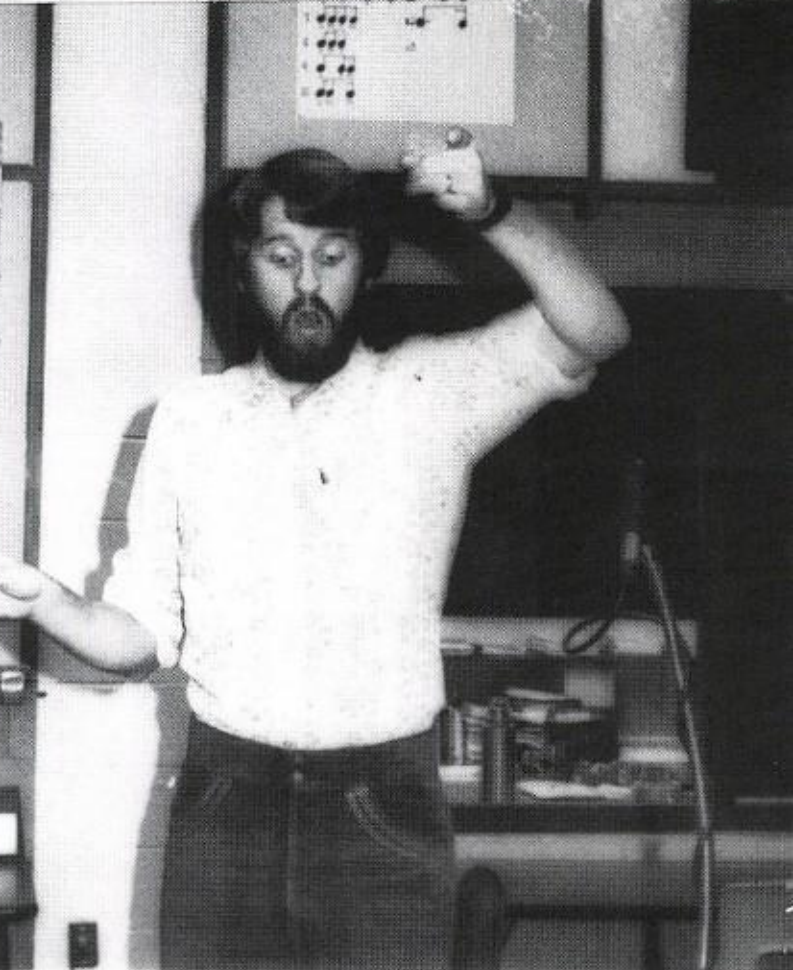

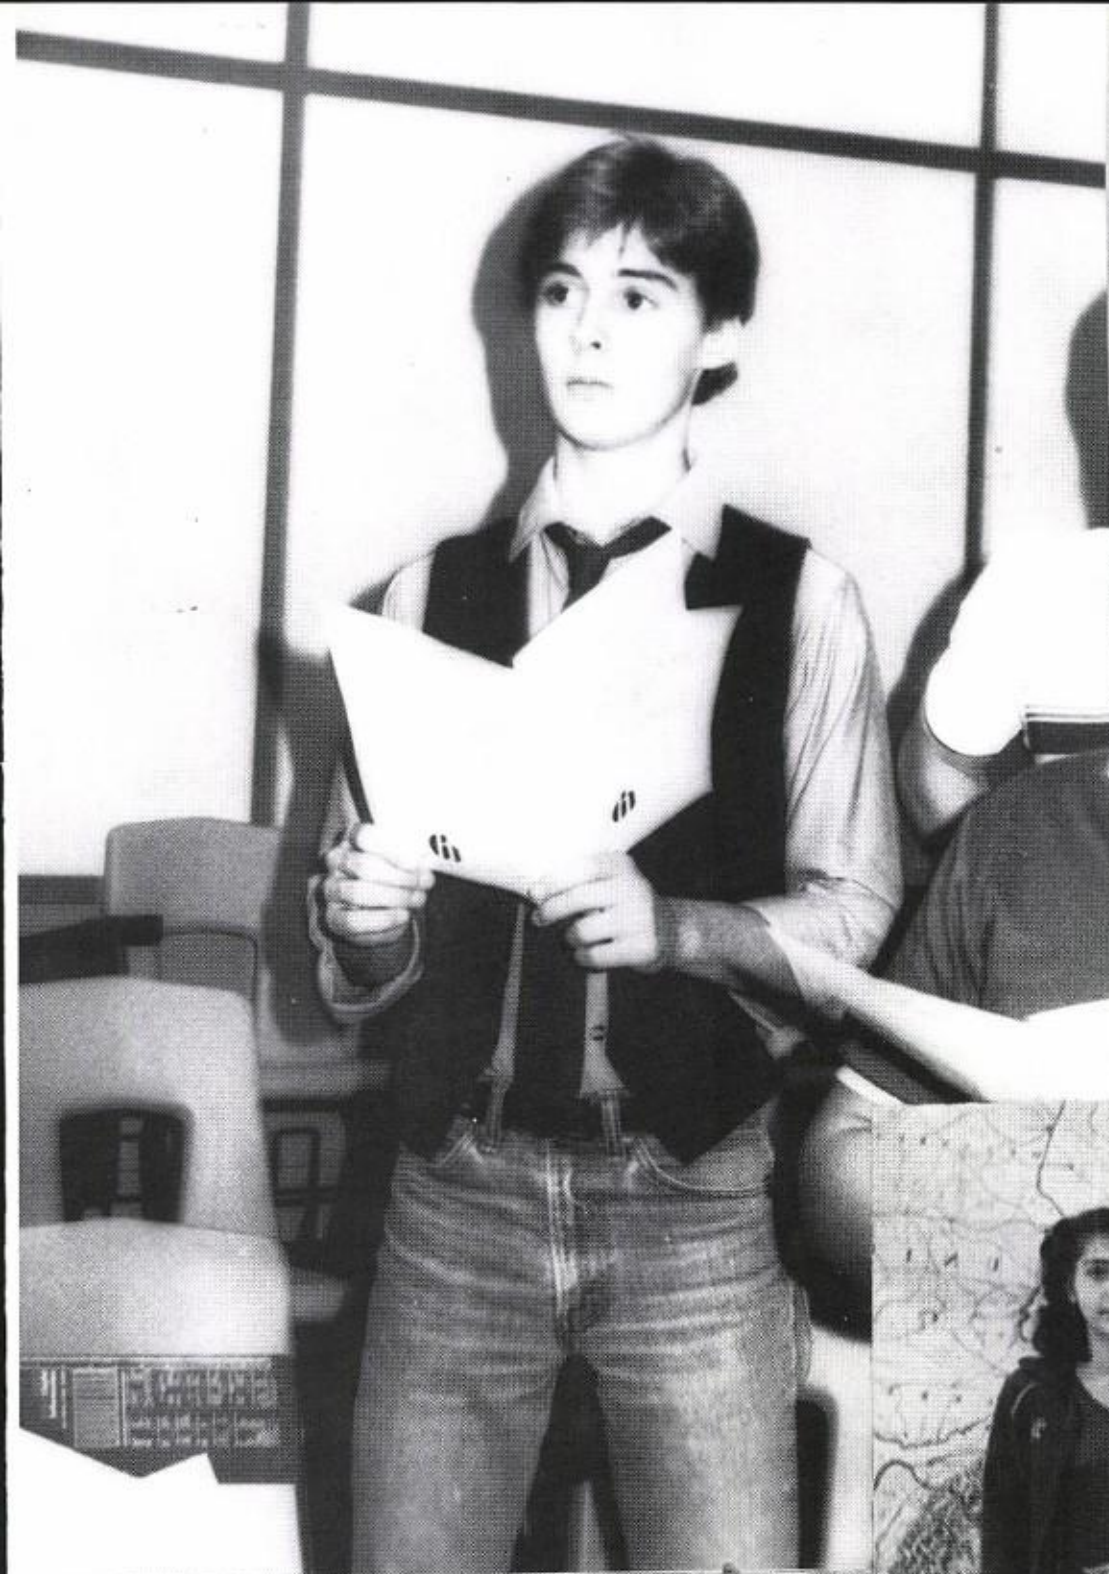

Paul Conditt relaxes after a hard math contest meet.

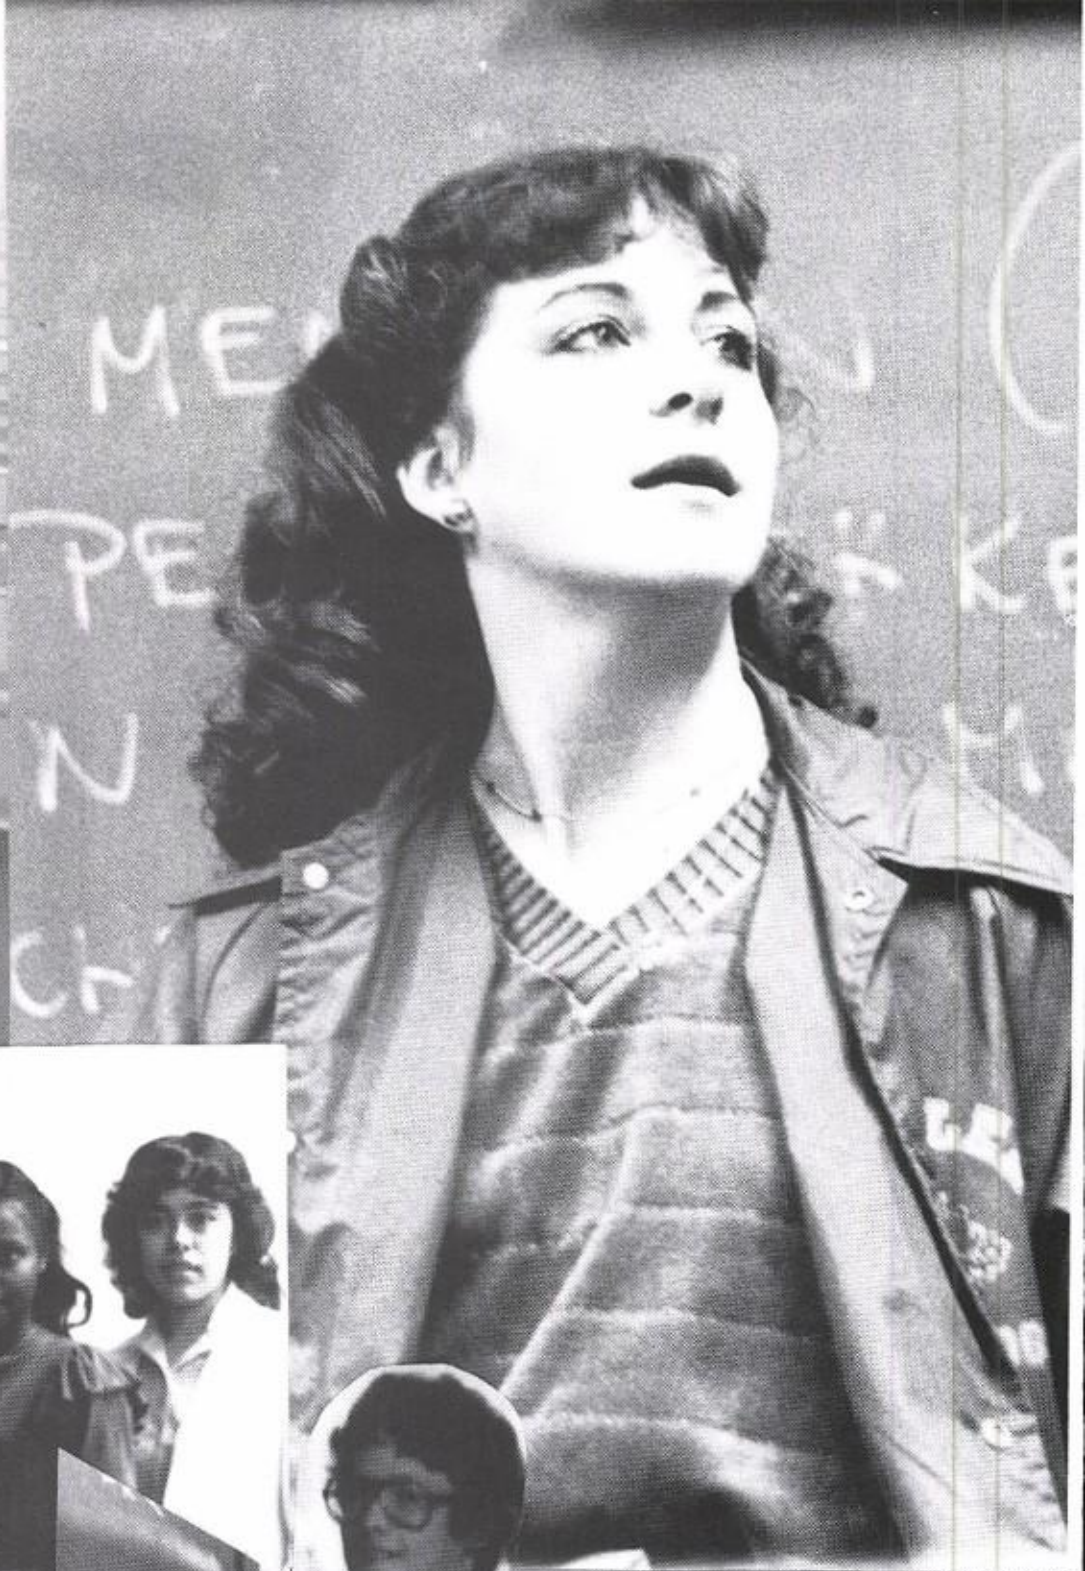

Four members of UIL Math team for 1982-83 school year.

Angela Stepherson spends many hours studying homework, that is why she is an excellent student.

Jeanie Williams

Student of the Year Award Goes To Jeanie Williams This Year

Being named Student of the Year was not just another honor for Jeanie Williams. Like anyone else, Student of the Year is a big award, and Jeanie well deserved it.

While being head cheerleader, she found time to be the organization officer of FCA and be the Senior Class President.

Authority was not her only outstanding point. She has shown her intelligence by participating in the National Math Exam, NHS, winning the DAR essay contest and as member of the Principal's Team. Her

athletic ability got her named to the 1st District Teams in both Varsity Basketball and Volleyball, which qualifies her for "T" Association.

Last, but not least, her outgoing personality got her club sweetheart, Homecoming Duchess, Who's Who Among American High School Students and Student of the Month.

All of this added together is what it takes to be named student of the Year.

Jeanie Williams is a good example to all students.

Congratulations!!!

Daughters of the American Revolution Award Goes To Jeanie Williams

This year Jeanie Williams was selected to receive the Daughters of the American Revolution (DAR) Best Citizens Award. To receive this award one must be able to express and see things clearly, have leadership abilities, be involved in different organizations, and display academic ability.

Jeanie has been a very active senior this year. She was involved in sports such as volleyball and basketball which allowed her to reach the 1st District Team. At many of the football games you have seen her

adding spirit to the game and cheering the team on. She was also chosen head cheerleader due to her commitment and also effort on the field.

Jeanie is also involved in FCA and NHS. She took the National Math Exam, which requires skill and understanding.

Jeanie's smiling face and friendly hello have made her many friends. These friends congratulate her on her achievements and wish her good luck in the future.

Tutoring Service Offered to Students By NHS Members

The 1982-83 National Honor Society Officers are: David Low - President, Jeanie Williams - Secretary, Angela Stepherson - Vice President, Paul Vasek - Treasurer, Laurie Rhoden - Reporter, and Alan Walter - Parliamentarian. The officers are chosen by popular vote of the club.

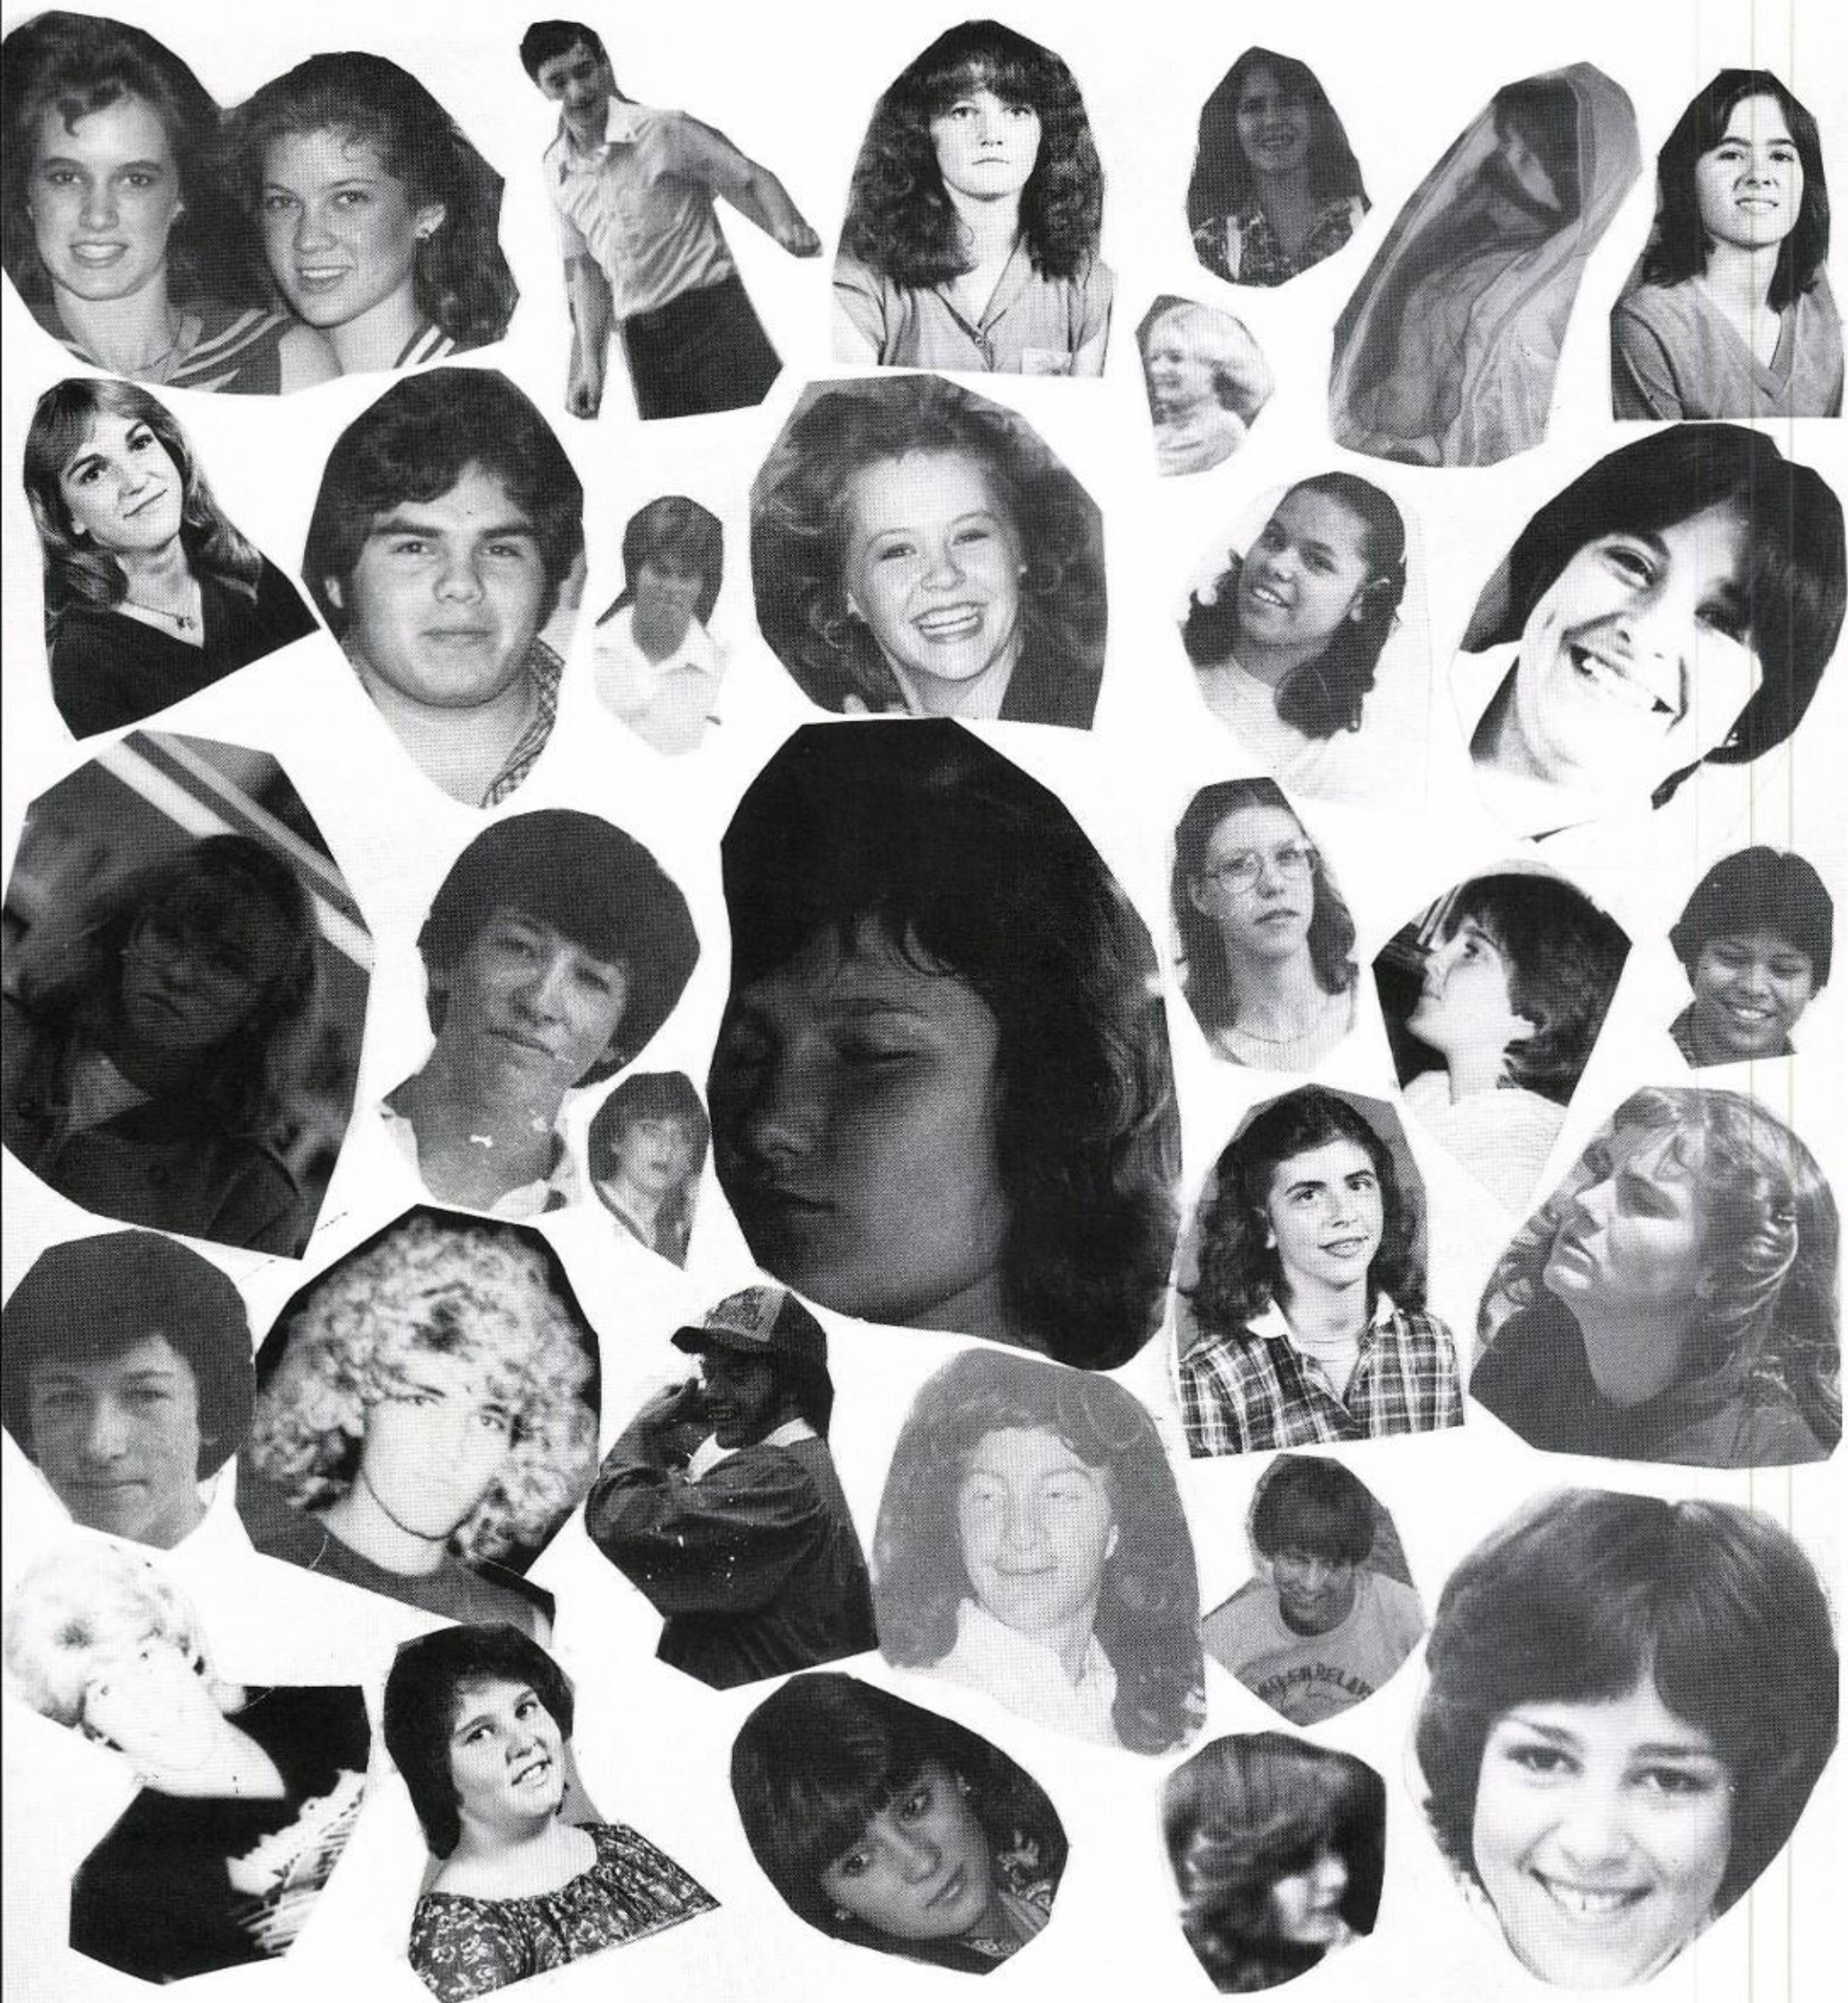

Members are chosen on scholastic averages with leadership and character considered.

The National Honor Society gives a scholarship every year and runs a tutoring service for students having problems in any classes.

All members meet about ten times a year, or when needed to make decisions. There are about fifteen to twenty members, juniors and seniors included.

FFA is Training Students to Become Future Providers

The Future Farmers of America (FFA) is an organization that is teaching students how to care for the future food supply of America. The members learn about livestock and how to care for it, also about crops and farm machinery.

The FFA's biggest money making project of the year was their fruit sale. They have worked hard with their sponsor, Mr. Ward, and made this year a profitable and fun year.

top Most FFA members are proud of their jackets and treat them with the best of care.

bottom "Do you think he'll win first place?" asks FFA member Roger Weimer.

Student Council Has Busy Year With Fund Raisers

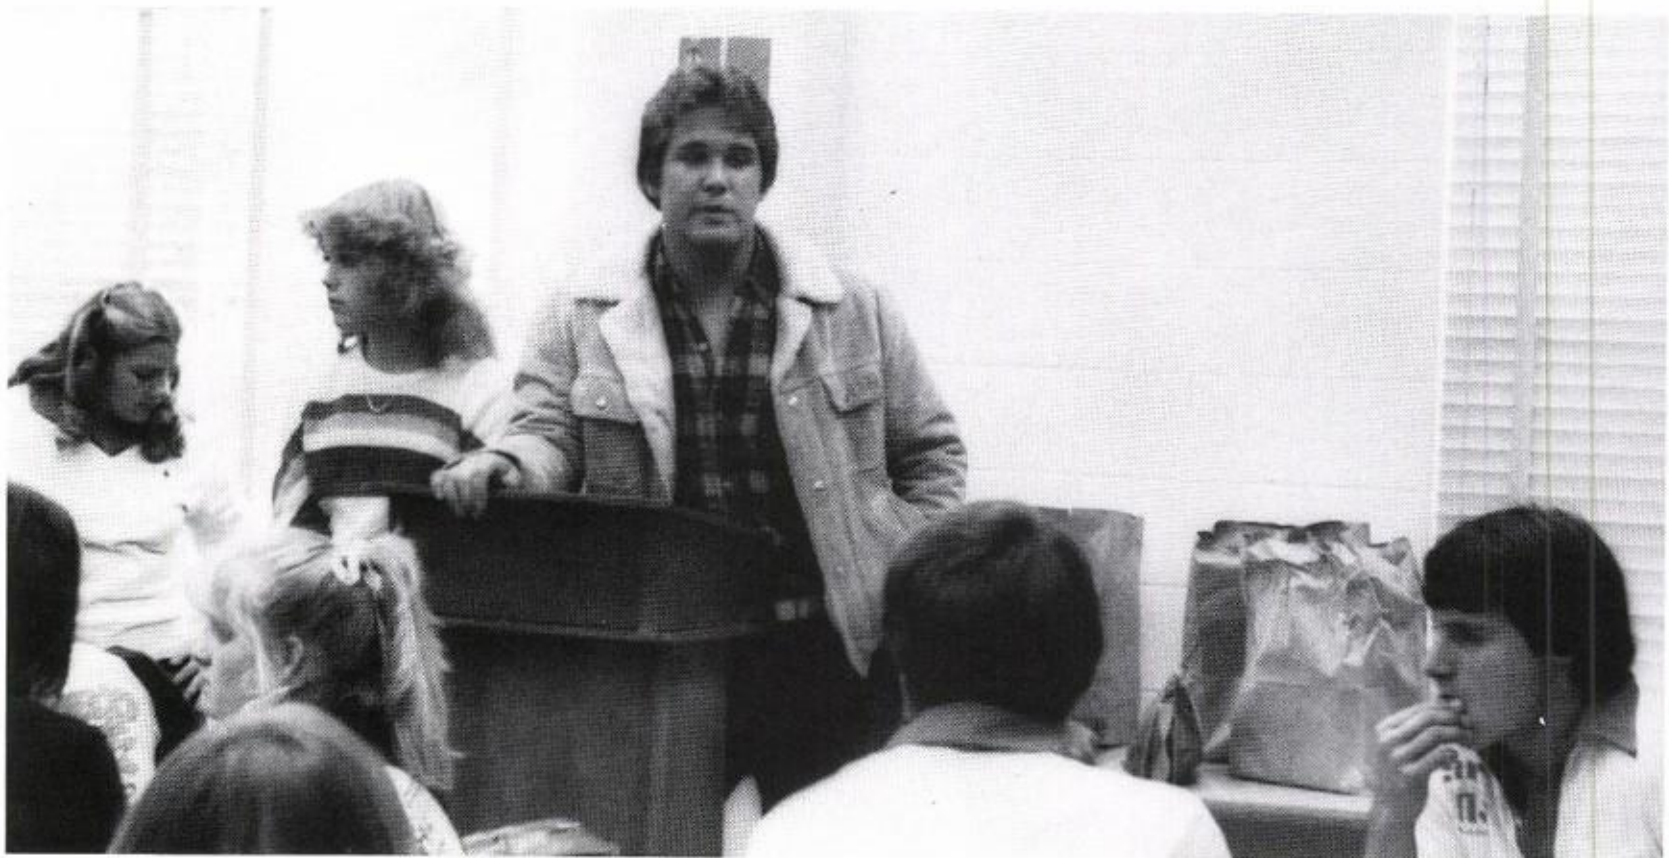

The Student Council consisted of 27 elected members and 20 honorary members this year. Headed by sponsors Ann Davenport and Anne Ader the council successfully completed many projects. With commitment as the theme of the year, the council set out to end up with a two-thousand dollar budget. To achieve this budget goal the council worked at many fund-raising projects. These included a bake sale, candy sale, and a booth at the Arts and Crafts Fair selling cotton candy. A victory dance was also held during the football season. The other activities of the council included Homecoming, for which they were almost solely responsible, the Texas Smokeout, a visit from the Fredericksburg Student Council and Ear Day. A hayride and Christmas caroling along with freshmen initiation were the other activities of the year.

The council also created the Garland Nesby fund to help a former student who is suffering from leukemia.

The council attended workshops at SWT University, in El Paso, and the state-wide convention in Austin.

top Student Council officers include Russell Kemp, President, Robin Haines, V. Pres., Andrew James, Treas., and Kim Fair, Secretary.

right Key Club Officers: back row left to right Denny Schultea, Stan Barlow, Duane Dienhart, Autry Broussard, in front Donny Walsh.

Service Projects Keep Members Busy

The Key Club, a service organization, was kept busy this year with many various activities. The main accomplishment this year, as in the past, was the building of the bonfire for "Homecoming Week."

The fieldhouse area was crowded with trucks and the trees were falling as they labored to make the woodpile higher and higher. The work of the club was greatly appreciated and the bonfire was a burning success.

The club also contributed a car for their sweetheart in the "Homecoming Parade" and a car for their officers.

Other Key Club activities included the "Little Dribblers" games which they refereed, and a Christmas donation, of food, to a needy family.

They also attended a statewide convention held in Houston.

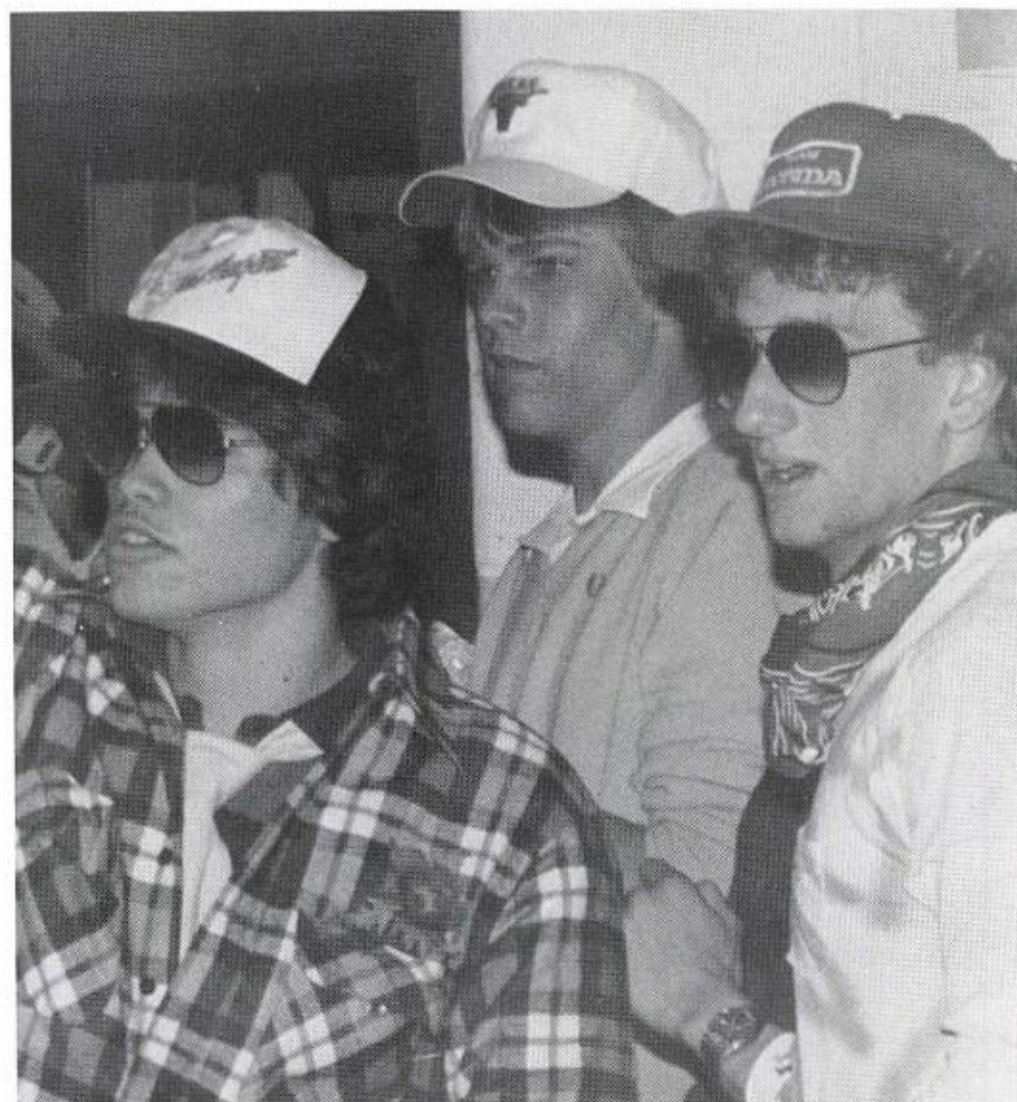

A car-wash was also held as a fund-raiser.

The Key Club officers include: President - David Low; Vice-Pres. - Duane Dienhart; Secretary - Donnie Walsh; Treasurer - Stan Barlow; Sergeant-at-Arms - Denny Schultea.

bottom left Autry Broussard and Evelyn Terrell were active members of the Key Club this year.

bottom right Raymond Juarez, Steve Jacobs, and Corey Abel support the Antlers as active Key Club members.

Hard Times Plague Antler Staff Best of Times Arrived In Fall

During the summer, the Antler Staff had a meeting and quickly agreed on the "The Best of Times" as their theme. It relates well with students and their high school life.

An Antler staff of eleven was appropriate. The only set-back being that seven of them were rookies.

The sponsor, Mr. Carl Doerr, in January

took a group to I.L.P.C. (Interscholastic League Press Conference) in Austin on the U.T. Campus, where the book and the staff from last year received awards according to judge's ratings.

Overall, they had an excellent year and added many memories to their list of the best of times.

border: Antler Staff 82-83; front - Robin Schmerber, Roxi Villagomez, Elva Ruis, Tina Castillo, Lisa Treiber, middle - Jeff Janey, Starla Fowler, Chandelle Folley, Xan Crawford, Shelia Harmel, back - Ron Blake, Lois McNatt, Matt Proffit.

middle As assistant editor, Shelia Harmel has many responsibilities, writing copy is one of them.

bottom Lois McNatt and Starla Fowler, co-editors, discuss an important deadline.

bottom Chandelle Foley speaks up in an Antler staff debate.

Tatler Staff Has Outstanding Year And Gains Experience

The 1982-83 Tatler Staff had an excellent year despite the absence of their sponsor Carl Doerr.

The Staff had a change of Editors half way through the year, this caused a set-back.

The Staff traveled to many towns and participated in many events. Several staff members brought awards home with them.

One of the first workshops that they attended was at San Antonio College during the first week of school. Several staff members traveled on in March to Austin to attend I.L.P.C. (Interscholastic League Press Conference).

The Tatler Staff joined the Antler Staff to participate in U.I.L., where Tracy Calhoun placed eight and Scott White placed first in feature, which advanced him to Regionals.

One of the last things that the staff did was to go to East Texas State in Commerce for a workshop and to enter competition. Jeff Janney took second place with his feature story. Scott White and Lanette Conditt took a first and second place for their front page layouts.

The final event to end a perfect year for the staff was to Wolfe City and see the publishing company where our yearbooks and other book material is published.

Considering all the above, we know this was the best of times and will remember it as being such.

opp top The 1982-83 Tatler staff.

bottom The afternoon auto mechanics class decides to take a break and pile up in the back of a nearby pickup.

VICA Auto Mechanics Builds Future for Many Hard Workers

How do you spell car relief?? Well at Tivy they spell it A-U-T-O-M-E-C-H-A-N-I-C-S!! Members of the VICA Automechanics work three hours a day under the supervision of John Lavender.

The automechanics classes work to the best of their ability to go to district and state competition in the spring.

In three hours per day they learn to repair cars of all makes and models. Hoping one day to be a future mechanic.

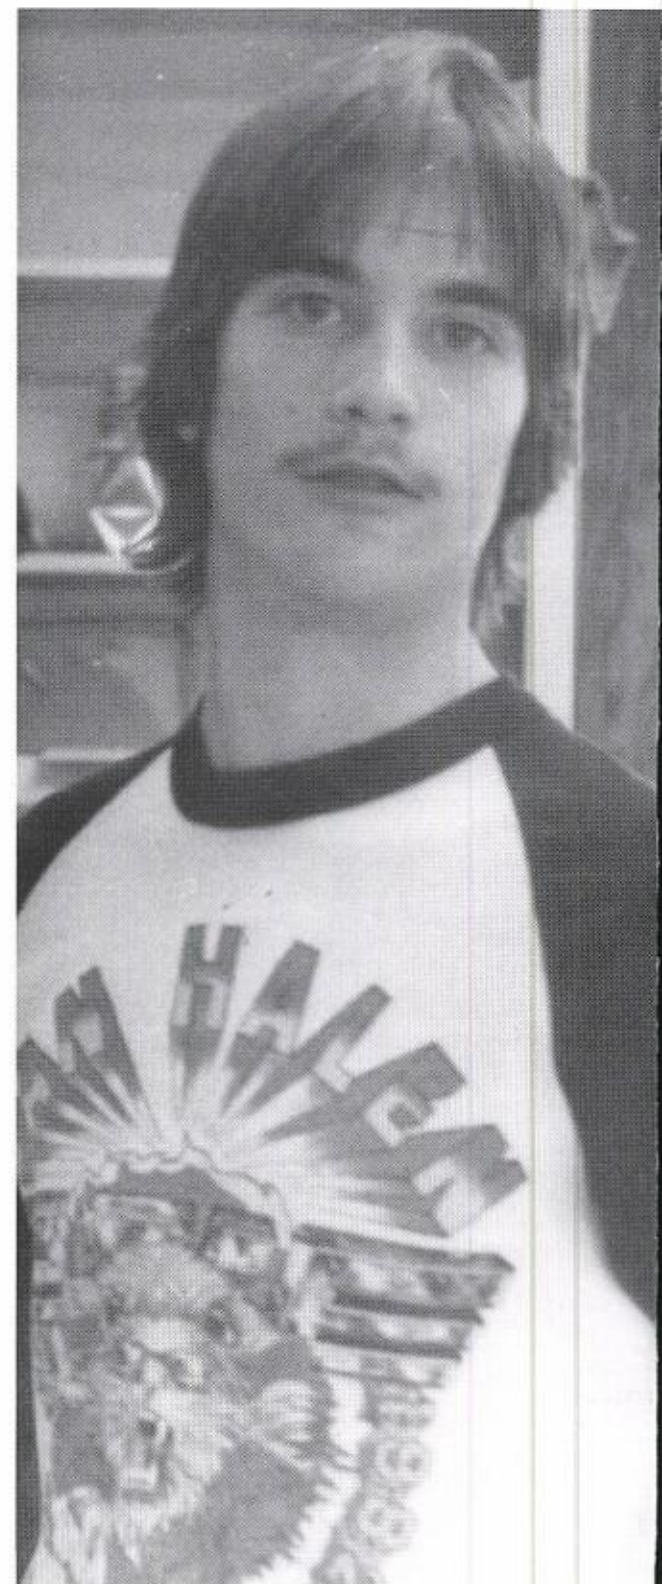

top Building trades members were: John Fifield, Lane Garrison, Shawn Schulak, Greg Pruneda, Tony Franklin, Rick Mickan, Jason Laskowski, John Dubose, Steve Walter, Nick Loesburg, Duke Shakesnyder, Curtis Innerarity and Roy Benson.

right HEY!! Don't mess with me!

bottom First period members were: James LeMeilleur, Jeff Kanady, Troy Witt, Thomas Barnes and Stan Mozel.

Building Trades Hard Work Develops Better Press Box

The 1982-83 Building Trades class members, under the supervision of Cleatus Bollier, constructed a Greenhouse in which both classes 1-3, 4-6 put hard work and dedication to finish building. That was not the end, building trades was to start building a new Pressbox for Antler stadium.

Annual Rock-a-thon And Other Events Keep Members Busy

The Future Homemakers of America (FHA) had a full schedule of events this year. In November, the "Great American Smokeout" had members passing out pamphlets at the mall. In January members went 12 hours in a rock-a-thon to raise money to go to a state meeting in Dallas. February brought the area meeting in San Antonio. FHA members look back on this year as the best of times.

top FHA officers are: Kim Davis - project chairperson; Laurie Rhoden - president; Mary Muck - vice president.

middle Another group of officers got together and they are: Kelli Greco - encounter chairperson; Ron Blake - member; Carl Farris - secretary/treasurer; Kris Buchanan - parliamentarian.

bottom The members of FHA are: Kris Buchanan, Kelli Greco, Doug Modgling, Robin Alexander, Jackie Wahrmond, Lisa Hloms, Ron Blake, Mary Muck, Kim Davis, Cheryl Wroe and Laurie Rhoden.

Junior Engineers Have Game-A-Thon To Raise Money

The Junior Engineering Technological Society, otherwise known as the JETS Club, is an organization designed for those students who are interested in advanced math and science courses.

Every year Texas A&M hosts a statewide JETS convention where students have a choice of competing in such areas as physics, technical drawing, biology, chemistry, and mathematics. This year the members held a game-a-thon to raise money to attend the convention. All day long the students played a variety of games, including hackysac and yahtzee.

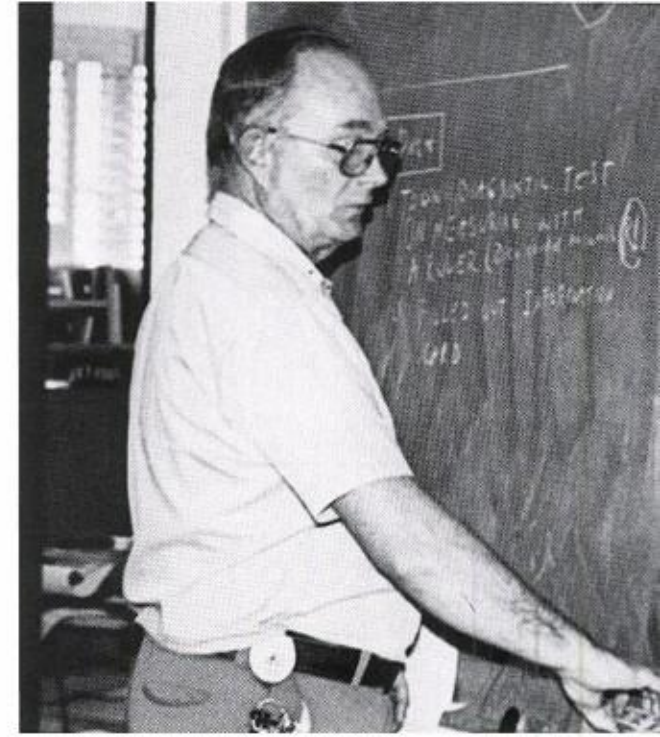

Throughout the year the club hosted guest speakers who gave them information on different aspects of engineering.

JETS Club officers were: President - Paul Conditt, 1st Vice President - J.M. Nunn, 2nd Vice President - Randy Crick, Secretary - Angela Stepherson, Treasurer - Denton Mauldin.

top JETS sponsor Mr. Foskett.

middle President Paul Conditt pushes the other officers down the stairs.

bottom The 1982-83 JETS members were: Marc Byrd, David Hackfield, J.M. Nunn, Lanette Conditt, Angela Stepherson, Paul Conditt, Randy Crick, Walter Alan and Denton Mauldin.

Spaghetti Supper To Sponsor Retreat For Interact Club

If you have ever wanted to travel to another country, or have someone from another country visit you, then Interact is a club you would be interested in.

It is a service organization sponsored by the Rotary Club of Kerrville. Many of the activities that Interact is involved in center around the student foreign exchange program.

This year three Interact members - Jenny Baldwin, Joel Baulch, and Nancy Robbins - will be travelling to other countries.

Earlier in the year, members sponsored a spaghetti supper to raise money for a weekend retreat. The retreat was held at H.E.B. Lodges. Exchange students from the entire district were invited to participate.

Interact officers for 82-83 were: Marc Byrd - president, Norma Garza - vice president, and Kim Zgourides secretary.

Top Interact officers and Board of Directors were: James Taylor, Jenny Baldwin, Kim Zgourides, Marc Byrd, Norma Garza, Taryn Rediker and Kathy Keese.

Middle Not all exchange students come here through Rotary. Claudine and Britta are here through YFU.

Tivy High Fellowship of Christian Athletes

Tivy High School FCA (Fellowship of Christian Athletes) provides fun nights after every sports event. On football parents night, FCA has a special parent's night activity.

Sixty members of FCA got a chance to attend the University of Houston football game Nov. 6, and to meet with other Texas FCA groups.

FCA members kept busy this year by attending a State Convention in January in Dallas, and having the 1983 FCA relays.

They also had FCA Spiritual Emphasis week and finished up with the weekend of Champions April 23-25.

The 82-83 officers were: boys John Ott, president; Andrew James, vice president; Courtenay Allen, secretary; Joe Baker, treasurer; Bret Smith, reporter; Bo Freedle, Sergeant at Arms.

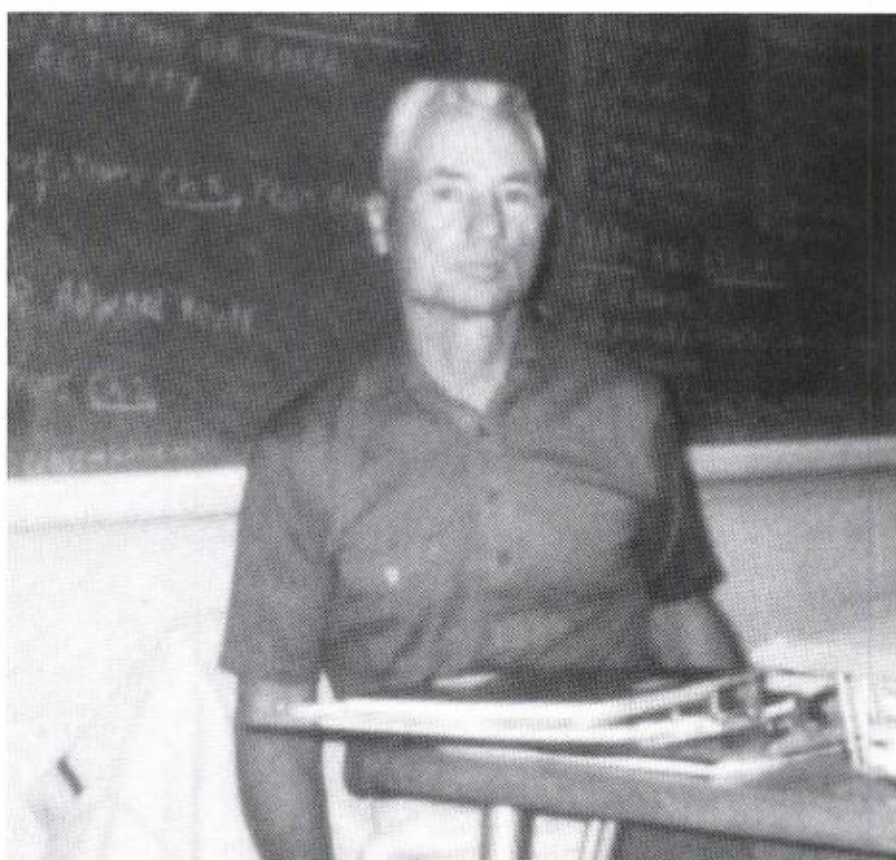

girls Jennie Takemoto, president; Marcy Bindock, vice president; Kim Fair, secretary; Julie Pennington, treasurer; Jeanie Williams, reporter; Typhony Hill, Sergeant at Arms.

FCA's activities helped make the 82-83 school year the best of times.

top Some of the Boys FCA officers pose for a picture.

Homecoming Parade Starts Off Year for Speech/Drama

"Direction, projection, posture. . . do it again!" These phrases may be heard whenever Speech/Drama coach Barbara Murray and her dedicated "Company" assemble to tackle the difficult task of performing well. Working together as a unit this difficulty is overcome. As a result, self-confidence and experience are gained, individual and sweepstakes trophies are also brought home.

These students when attending a speech meet, a workshop, field trips, or one-act play competition, represent not only themselves as a company, but also our school as a whole and they bring an extremely positive recognition to Tivy in doing so.

They took first place in the car division, in this year's Homecoming parade with Mary Ann Borkowski as Sweetheart and David Beeler as her escort.

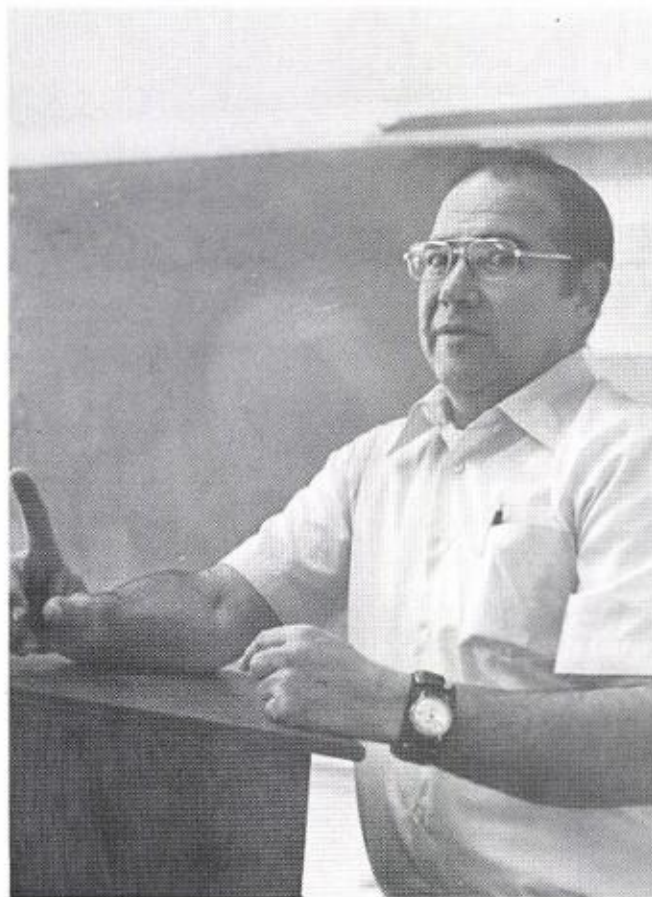

The department is a mixture of multi-talent, free emotion, awareness, confidence, strict discipline and most importantly, new and different ways of thinking. This combination produces high emotions, physical energy, and a little bit of stage magic, which these young thespians attempt to convey to their audience. Each of the hours spent laboring together to reach their highest personal potential, has made for the best of times.

top The Speech/Drama's 19 members show their positive but different personalities.

Tamales and Supper Send Spanish Club On Trip to Mexico

Que Pasa!! If you don't know what that means, just ask any member of the Tivy Spanish Club. They will be more than happy to let you know.

Once again, the members have been working diligently to raise funds for their annual trip. They sold tamales and had a Spanish supper.

Sponsors, Bud Smithson and Laura Rhodes explained that the amount of tamales and the number of tickets to the supper sold were put into a point system thereby determining the eligibility of a student to attend the trip. This is an excellent and fair way to arrange this.

This year's officers were: President - Danny Ybarra, Vice President - Margret Carrion, Secretary - Donna Soth, Treasurer - Margret Calderon, and Reporters - Elva Ruis and Christine Garcs.

Sweethearts were: Cindy Lopez and Marty Collazo.

top left The smiling face of Mrs. Laura Rhodes made the Spanish club THE place to be.

FBLA Club Members Choose Enterprise As Play's Theme

The future Business Leaders of America (FBLA), the organization which promotes business and leadership skills has been on the move. Some things FBLA has done are: the annual Thanksgiving and Christmas Dinners for needy families and the skit for the middle school, the theme dealing with the Free Enterprise System.

FBLA is a national organization which has regional, state and national chapters.

They always end the year with a banquet and by installing the next year's officers.

Keep up the fine job FBLA!

above Mrs. Leifeste, the FBLA sponsor, is always busy.

below The 1983-84 officers and members front row: Marcia Allsup, area treasurer; Rolando Garza, reporter; Terry Martin, president; Jeff Janney, vice-president; Sherri Coday, member. back row: members Debbie Harmon, Kim Zgourides, Tracy Doan, Karin McDonald, Shelly Hoffpauir, Matt Scott.

Octagon members sell carnations to many admirers

below Marcy Bindock, Scott Willmann, Veronida Pruneda.

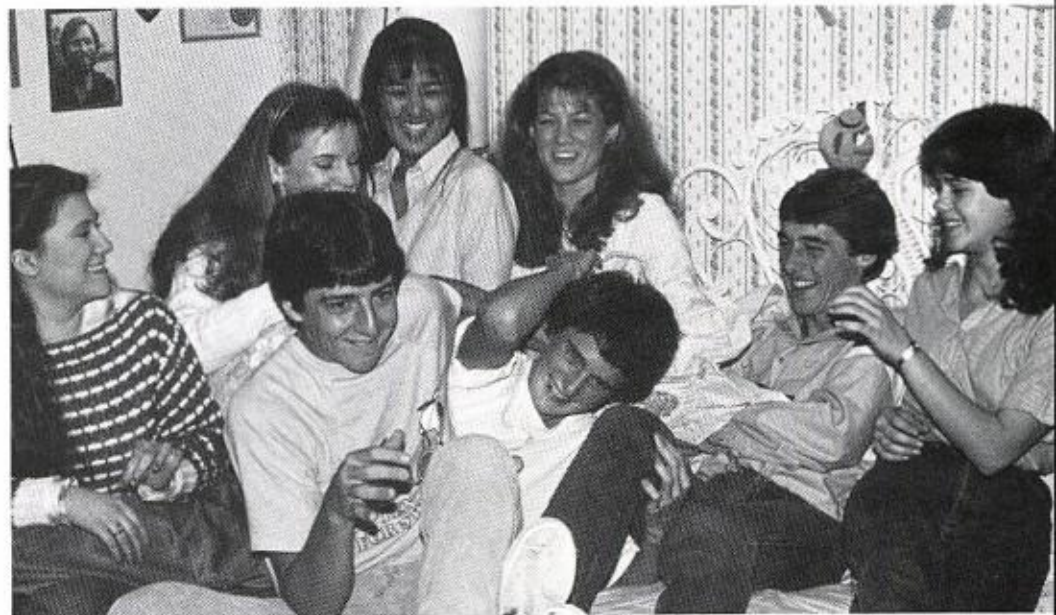

The Octagon Club which is sponsored by Mr. Woolbright meets each first Tuesday of the month. They discuss many things in these meetings. Such topics as: the Candy Sale, which was very successful; the Octagon Christmas luncheon, held every year, the lemonade sale with the Optimist Club at the Arts and Crafts Fair. They also raise a lot of money and make a lot of people happy at Valentine's Day by selling Carnations.

The Octagon Club is open to all high school students.

Busy Health Occupation Students Find Time For Various Activities

All twenty-four of the HOSA(Health Occupations Student Association) members are employed at some sort of health facility such as hospitals, nursing homes, labs, dentist offices, ect.

Every year you can see HOSA students trying to sell candy bars. The money earned from this project went toward a banquet for their employers.

HOSA was also involved in the March of Dimes Little Sweethearts contest and the Bloodmobile. HOSA helps with the inoculation clinics at various schools in Kerrville.

This year HOSA gave a Halloween party at Hilltop Village nursing home and a Christmas party at the Veterans Hospital.

The Great American Smokeout was another event HOSA was involved in. These students work hard throughout the year.

top this year's HOSA officers; top row: Pam Brown, Edwina Shaw, and Penny Pearson; bottom row: Jeanne Rittmann and Pam Kannady.

bottom The HOSA club takes time from their busy work projects to show us who they are.

Early Job Training Combined With Fun Makes Hero Success

This year's HERO (Home Economics Related Occupations) Club was involved in many community projects. They helped collect money for the United Way Drive and in December they gave a box of food to a needy family in Kerrville.

Caroling was another event these students participated in. They sang at Meadowview and Alpine Terrace nursing homes.

This spring HERO held a bike-a-thon to raise a \$750 scholarship which will go to any student planning a career in the Home Economics or related field.

At the end of this year HERO students held a banquet honoring their employers. These students are being trained early for their careers while still having fun.

DECA Activities Continue Into Summer

Tivy High DECA (Distributive Education Clubs of America) students have participated in a number of worthwhile activities this year. The purpose of DECA is to promote leadership, marketing, and human relation skills in high school students.

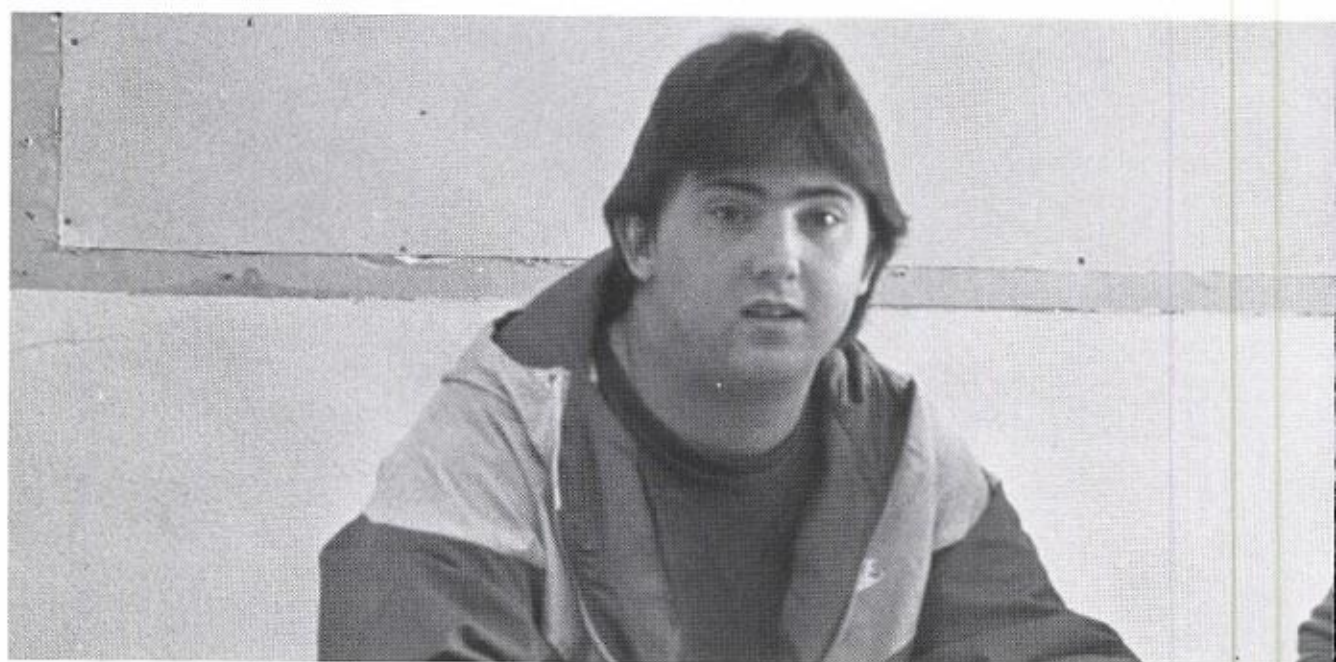

DECA members enjoyed a back to school pizza party where new members were introduced and this years officers were elected.

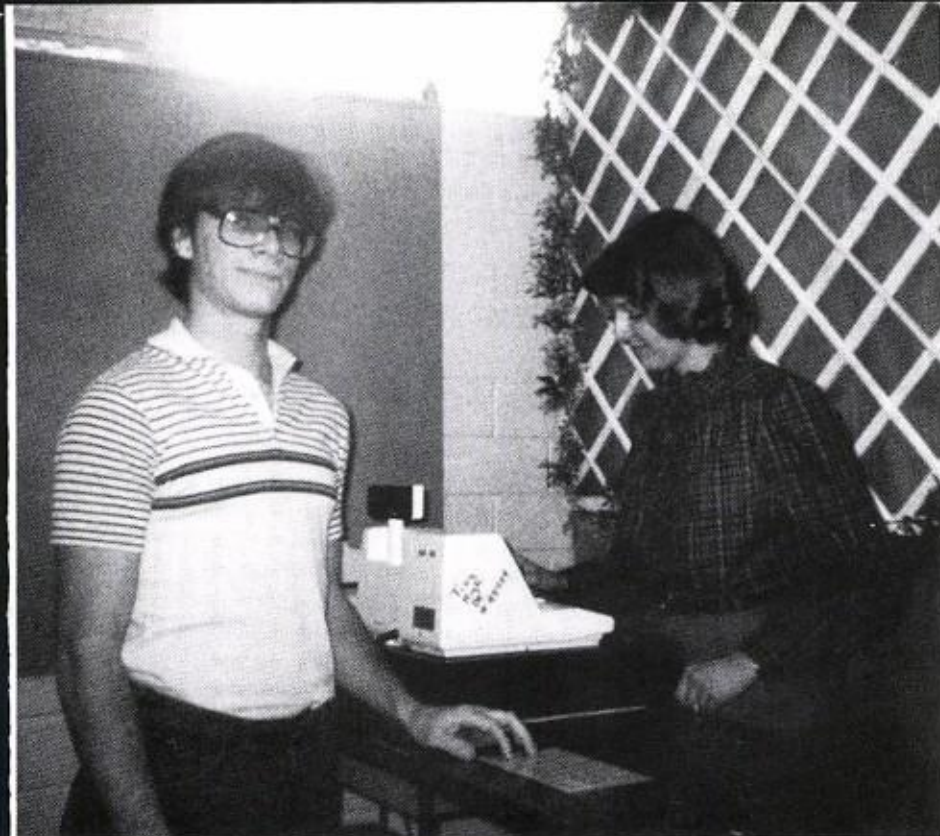

Officers for 82-83 were: Marie Snyder, president; Wayne Cahela and Regina Steel, vice president; Sandra Kilgore, treasurer; Holly Packer, secretary; Judy Herring, reporter; and James Colbath, parliamentarian. Past officers, parents, and employers were special guests at the installation which was held in the First National Bank Community Room.

Sixteen delegates from Tivy DECA attended the Area I Leadership Development Conference at Angelo State University on October 30. Some of the clubs community service projects included giving carnations to ladies attending the annual Chamber of Commerce banquet and having a teacher appreciation open house prior to Thanksgiving. DECA also hosted a Christmas fun night at the First Christian Church for the members.

Students were provided with an opportunity to compete against other DECA members in a variety of events related to job skills. Fourteen of these members competed in area I competition at Angelo State University on March 4-5, 1983. Representatives from Tivy also attended State Competition in Houston in April. National competition will be held during June in New Orleans, Louisiana.

DECA Students ended the school year with an employer appreciation breakfast, and their traditional picnic honoring '83 DECA graduates.

opp top Stan Barlow gladly smiles for the camera.

OEA Members Sell Chocolate Candy For Best Profit

The Office Education Association (OEA) or otherwise known as Vocational Office Education (VOE), has worked hard this year. They had the biggest candy sale in their history. When they say money, VOE sure knows how to get it, but they spent a lot of money too for their club parties, conferences and of course the annual Teacher Appreciation Week in February.

In years past the club sold Tom Watt Kits but they didn't carry on this tradition because the kits were too big to carry around. Therefore they sold out of a catalog and the sales were very good. OEA is well known for their hard work and enthusiasm.

opp top Nina Genovasi concentrates hard.

Vocational Office Promotes Skills In Printing Field

The Vocational Office Club of Texas (VOCCT) is a class that promotes printing skills and helps students find jobs in the printing field after high school. The VOCCT has really worked hard. They participated in Homecoming with a car, made coloring books for Starkey Elementary and helped with the United Way Drive. They also had their annual food basket drive to give to a needy family.

One of the ways they make money for the Club is by printing. They print just about anything you want. This April they attended a State Contest and met with other VOCCT Students.

opp top Mr. Dyer hard at work getting the choir ready for their Christmas concert.

Chocolate Candy Sends Tivy Choir To Amusement Park

The Tivy High Choral, better known as the Tivy Choir, has had quite an eventful and concert-filled year. They have earned many high awards, including an invitation to Southwest Texas University which asked them to participate in a choral festival. Two other Texas high school choirs were invited also. The choir left on November 18, for Southwest.

This year for the choir's spring trip, they decided to go to Six Flags over Texas. They sold "World's Finest Chocolates" to raise money for the trip, which was scheduled for April 15. Everyone was excited about going, and had many strange and exciting tales to tell when they returned.

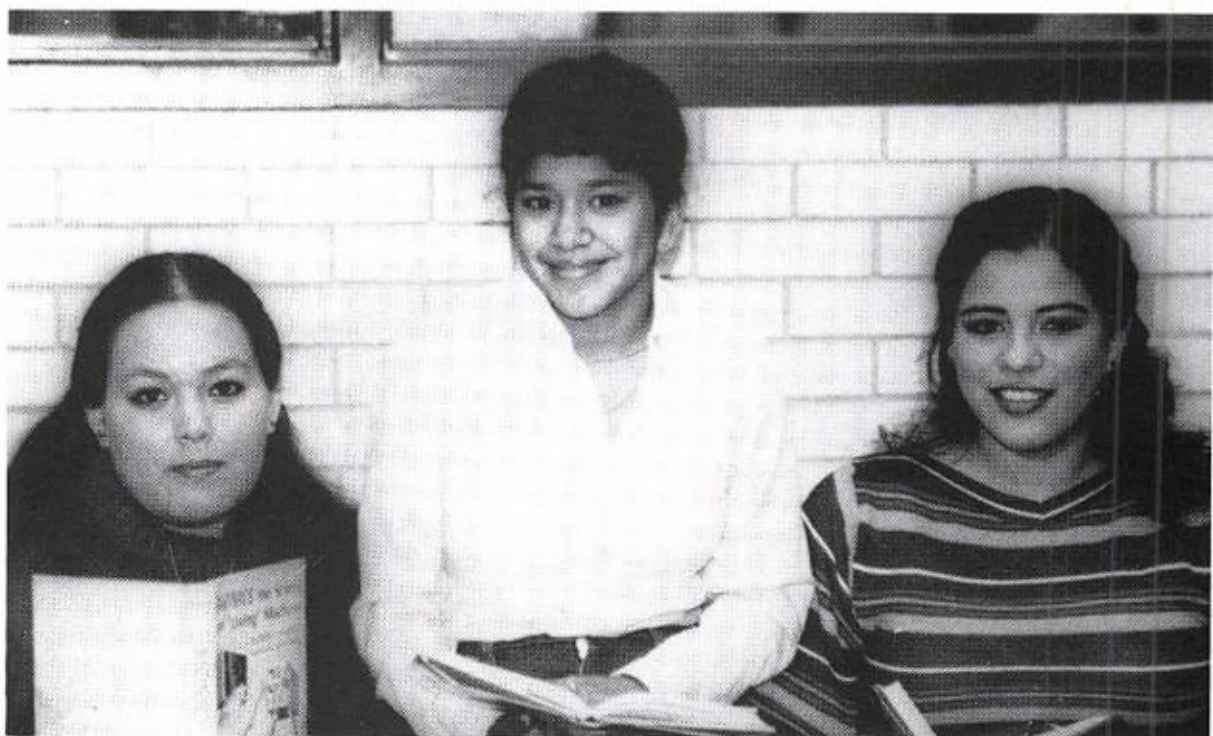

Overall, this year has been both fun and prosperous for the members of the Choir.

Love For Reading, Interest In Books Builds Membership

The Tivy High Library Club is an organization which is bettering the new library for us all. They have contributed much to our library and have worked hard for it to become more useful to the students and teachers at Tivy.

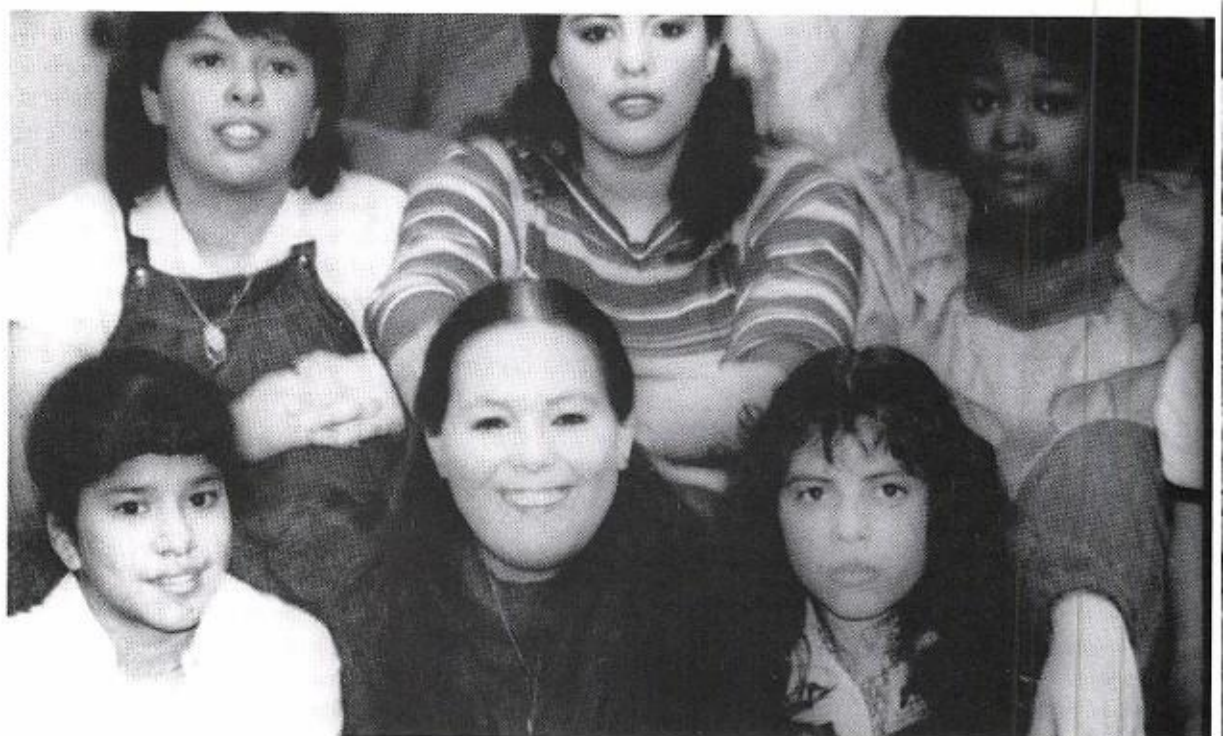

The fifteen members sponsored by Mr. Ruth and Mrs. Ross, have had a fun and profitable year.

top These 3 Library Club members take time out of their exciting books to have their pictures taken.

opp bottom right "I can't believe he still needs help" thinks an exasperated Kela.

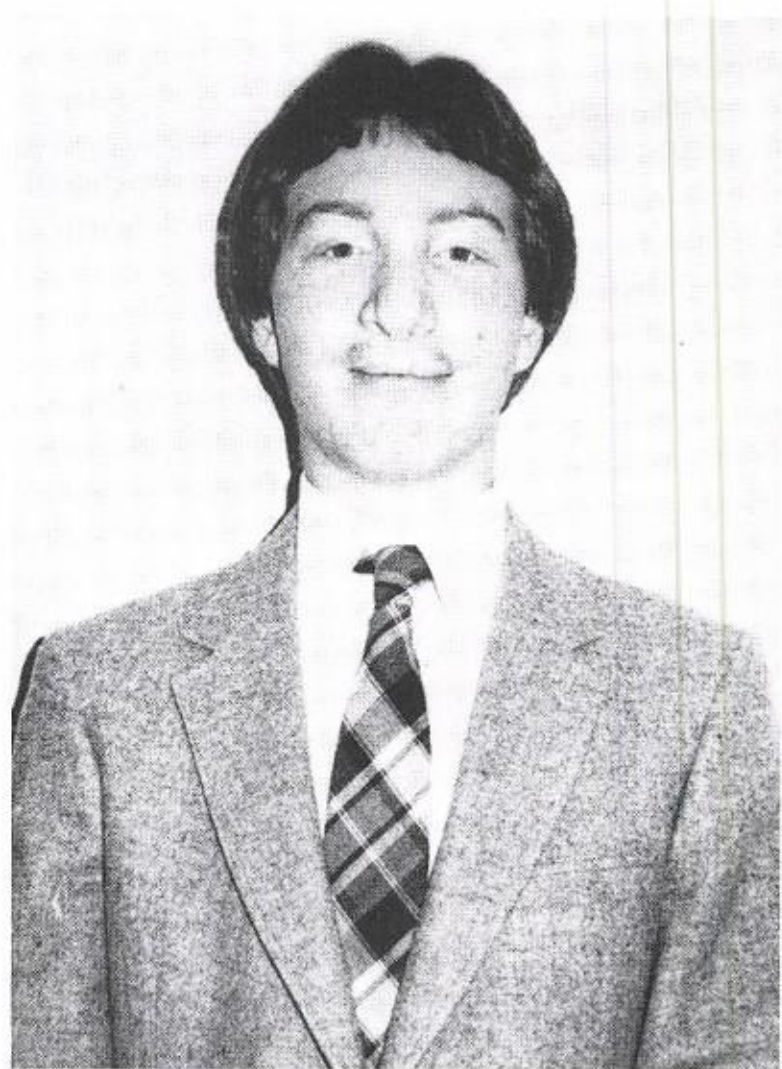

Summer Practices Make Perfection For Halftime Show

Summer practice came earlier than most band members would have liked it to, but then again, practice makes perfect. And perfection is what all the band students were striving for this year. Under the direction of Mr. Avie Teltschik, the musicians performed difficult and precise halftime shows at football games. They were also responsible for raising much of the spirit at pep rallies, even winning the spirit stick. The band livened things up in the homecoming parade and also the fire prevention parade.

Judges Give Band Superior Rating For Marching Show

The band participated in a marching competition where each band is rated separately, by a panel of judges, on a scale of 1 to 3, one being the best. Our band received 3 ones which made them eligible for State competition on Nov. 16th. Many weary hours of practice were spent polishing their show which included solos by Lauren Corder, David Ferris, and drum major Marc Byrd. Approximately 28 bands participated in State and Tivy placed an impressive 8th. This years band officers are: President - Paul Conditt, Vice President - Evelyn Terrell, Secretary/Treasurer - Barbara Densford; and Reporter - Lisa Treiber.

opp top The 1982-83 Band Officers.

opp bottom right Band President Paul Conditt.

top How come I'm the only one dressed like this?

bottom left "I know a secret" thinks Terry Caulk.

bottom right OK, who took my flag??!

Girls Raise Money For New Uniforms Through Bake Sale

This years flag corps backed up the band with more talent and enthusiasm than ever. They would come to school at 7:00 every morning during football season to polish their routines which they performed during halftime. They also performed during a pep rally to the music of "Centerfold" and participated alongside the band in State competition. The girls held a car wash and a bake sale to raise money for new day uniforms and mums.

To become a member of the flag corps you must have been in band at least one year. Tryouts are held in May and judged by Mr. Teltschik and another judge. A group routine is shown, then each girl tries out solo. This year's members are: Captain Kathy Keese (alias Captain Mickey), Co-Captain Elizabeth Young (alias Quiche), Sr. members - Renee' Richard (alias Nee), Angel Jones, Donna Fausnacht, Krystal Morris, and Melinda Ridgeway, Junior members - RaDona Woerner (alias RaDil), Nadine Knippers and Misty Waldon (alias Drizzle). Sophomore flag girls are Cassy Chambers, Kim Mains, and alternate is Margaret Claderon.

New Day Uniforms To Help Brighten Golden Girl Dance

The 1982-83 Golden Girls helped to promote Antler spirit by performing not only during halftime at football games, but also during the pep rallies and basketball games.

They held a garage sale to earn money for their new day uniforms and hope to purchase new performance uniforms by next year.

Their new sponsor, Carol Nunez, helped them to get through those 7:00 a.m. practices. During that time the girls worked hard polishing and perfecting routines. All 29 girls attended a week long drill team camp at Southern Methodist University in Dallas where they received superior and excellent ratings.

The Golden Girl officers are: Colonel Denise Dobbs; Captain Marci Bindock; and Lieutenant Margarita Carreon.

Antlerette Spirit Shines Throughout '82-'83 School Year

Much of the enthusiasm heard in the stands during football games this year was generated by the Antlerettes. This spirit organization learned grandstand routines and all the cheers performed by the cheerleaders. The Antlerettes were a great help during pep rallies, and also attended basketball games at which they not only cheered, but worked the concession stand too. The Antlerette officers for 1982-83 are: Captain Beth Nilsen, Co-Captain Laurie Villarreal, 1st Lieutenant Robin Alexander, 2nd lieutenant Diana Lopez, and 3rd Lieutenant Traci Adams.

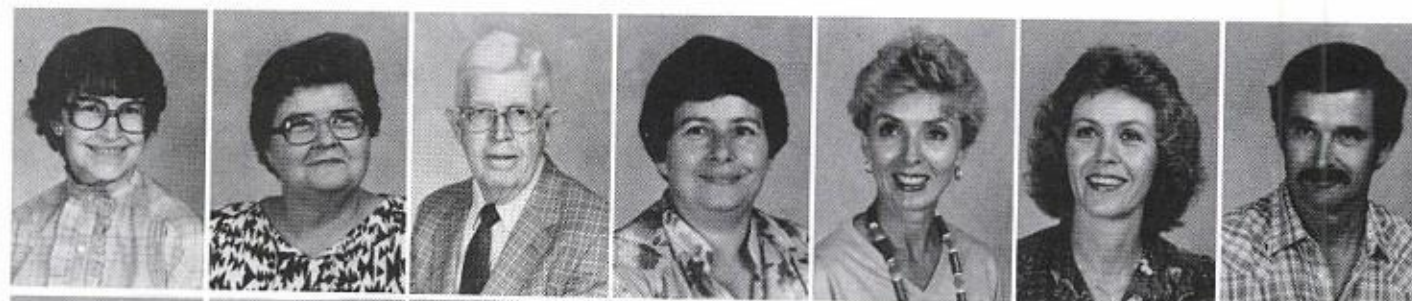

top The latest fashion is modeled by Captain Beth Nilsen.

Teachers Help Us to Grow and Learn

Every school has a special group of teachers and faculty that make the school year special, and Tivy is no exception. The exceptional people we had this year helped to create a very special environment for the students. There was fun, laughter, and caring in each classroom.

The learning process was made special

for each student. The torture of homework and discipline was bearable due to the caring from each teacher, each secretary. The teachers we have had will be remembered life-long, and we were lucky to have such a special group to watch us and help us to learn and to live.

Special Teachers Give Inspiration

As the pomp and circumstance of being a senior becomes more and more unavoidable, many students stop and reflect on the past, the present and on what lies ahead. Invitations and senior T-shirts are ordered, and measurements are taken for caps and gowns. It is a happy time for most seniors, but there is also a certain amount of uncertainty about what lies ahead. College lies ahead for most, but

some look forward to jobs or armed services. Although the future holds much promise, we will not forget the past. The years of high school will always be remembered and treasured. Pep rallies, football games, a special teacher, special friends are all a part of our special times. Everyone will keep these memories, and will always be able to reflect on these years as the best of times.

Confidence Gained By Rising Juniors

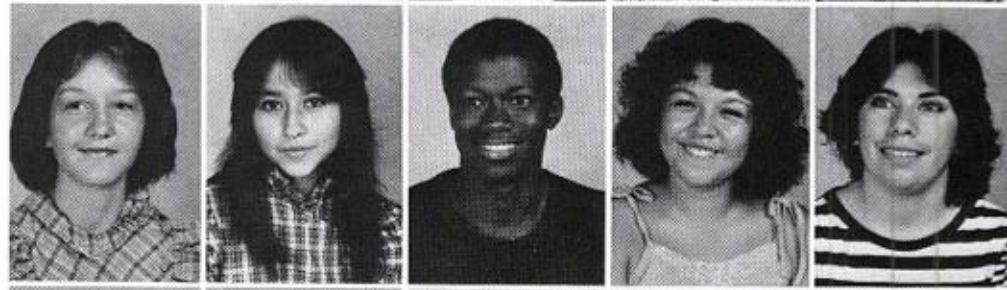

As the year went by the Juniors got used to being upperclassmen. They became more self-confident and they grew to understand the responsibility of being an upperclassman. They were no longer the ones being teased, but they were the pranksters. The anticipation of finally

becoming a senior, and the lure of being independent helped the juniors to get through the year and to have fun doing it. They really showed their spirit as they cheered at the pep rallies. They also sponsored Radio Day and the main social event of the year, The Prom.

top right Joe Baker, Brad Cox and Pat Hall are concentrating on the baseball game instead of the passing photographer.

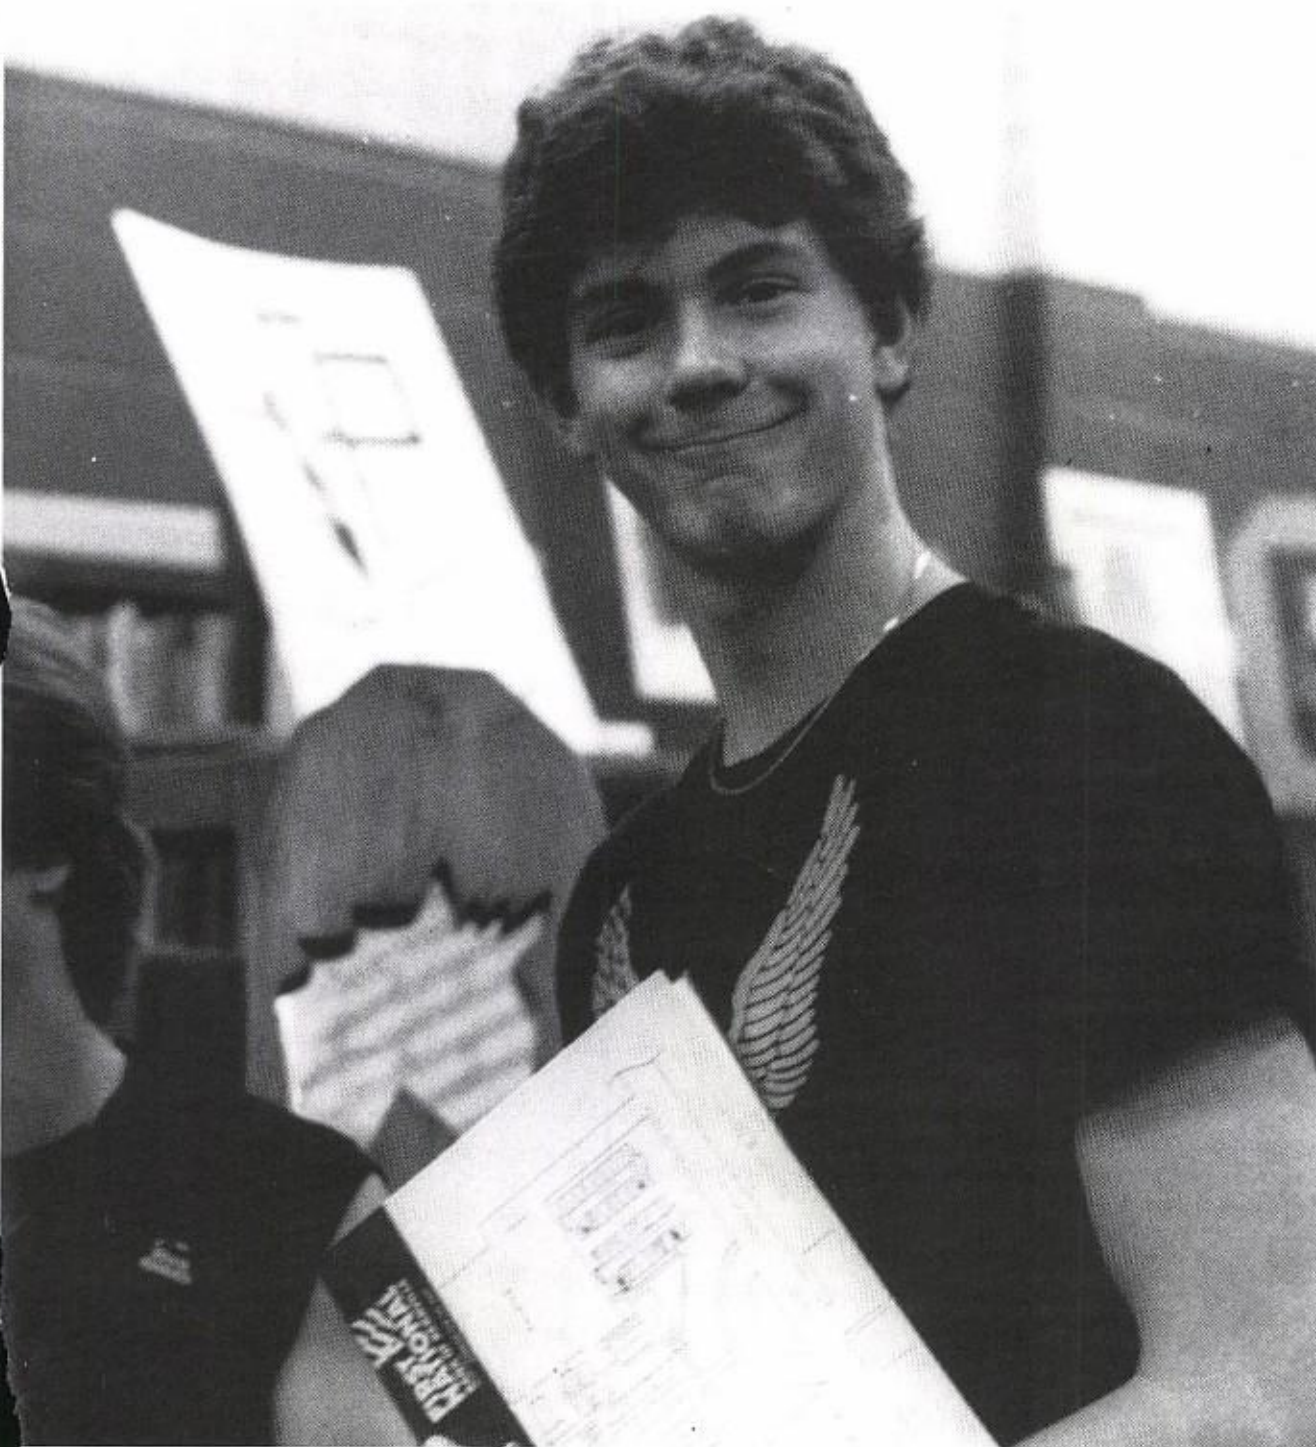

lower left Brent Tinnin is still trying to wake up before the photographer is ready to take the Senior group picture.

bottom right Seniors always have something to talk about - GRADUATION!

top Drew Crocker has to practice tying his tie so he will have it down pat.

bottom Ricky Ingram and Scott Prewt find something funny about the art exhibits.

"The moment may be
temporary but the
memory is forever"
